

## Shotgun Seat Rules & Boundaries

1. The driver controls this car and is responsible for it's safety.
  - a. Changing the driving or ambient conditions without proper notice is a hazard and annoying.
    - i. Driver's Father promised him, that when he grew up and paid for a car, gas, insurance, then he could control the air conditioning, radio, select the route, etc.
      - (1) Since you are riding for Free - be quiet and say thanks for the ride.
      - (2) If you do not like it, then let's take your car, you drive and pay for the gas.
2. Do not give the driver any directions what so ever, unless specifically asked.
  - a. If it's an emergency, press the 4 way flasher and then you may give a verbal warning.
  - b. This includes:
    - i. Finding a parking space.
    - ii. General non specific complaints about traffic.
    - iii. Other drivers
    - iv. Immigration problems - related to driving.
  - c. Do not ask anyone for directions.
    - i. The driver does not recall ever being lost. If we get lost or take 10 minutes longer to get somewhere, it must be G-d's will.
      - (1) The Jews spent 40 years, not a month in the desert for a reason.
        - (a) [http://www.gospel-herald.com/t\\_bunch/eam/eam\\_ch16.htm](http://www.gospel-herald.com/t_bunch/eam/eam_ch16.htm)
3. The only controls that you may touch without permission are:
  - a. Your
    - i. seat belt
    - ii. Visor
    - iii. Seat Adjustments
    - iv. Map Light & Thomas Brothers Map in door pocket
    - v. Right Air Vent & Right Middle Air Vent
  - b. 4 way flasher - in 911 situation
4. If you have a need for more or less air conditioning, heat, the window open, you may ask the driver to adjust them, but you may not touch them under any circumstances.
5. Radio will be adjusted only by the driver.
  - a. Upon permission, you may touch the presents or scan button.
    - i. Permission is for the specific trip only. It does not apply to future trips.
6. This is a 5 speed on the floor car.
  - a. Driver needs the entire arm console for proper shifting. If you want to use a drink holder, there are two in the back seat, where you will be much more comfortable.
