## **Disabled Dependent Child Amendment**

## **United HealthCare Insurance Company**

As described in this Amendment, the Policy is modified to provide coverage for a disabled Dependent child.

Because this Amendment is part of a legal document, we want to give you information about the document that will help you understand it. Certain capitalized words have special meanings. We have defined these words in the Certificate of Coverage in Section 9: Defined Terms.

1. The provision in the Certificate of Coverage under Section 4: When Coverage Ends, Coverage for a Disabled Dependent Child is replaced with the following:

## Coverage for a Disabled Dependent Child

Coverage for an unmarried Enrolled Dependent child who is disabled will not end just because the child has reached a certain age. We will extend the coverage for that child beyond the limiting age if both of the following criteria are true regarding the Enrolled Dependent child.

- Is not able to be self-supporting because of a physically or mentally disabling Injury, illness, or condition.
- Depends chiefly on the Subscriber for support.

Coverage will continue as long as the Enrolled Dependent is medically certified as disabled and dependent unless coverage is otherwise terminated in accordance with the terms of the Policy.

We will notify the Subscriber that the Enrolled Dependent child's coverage will end upon attainment of the limiting age unless the Subscriber submits proof of the criteria described above to us within 60 days of the date of receipt of our notification. We will send this notification to the Subscriber at least 90 days prior to the date the Enrolled Dependent child attains the limiting age. Upon receipt of the request of the Subscriber for continued coverage of the child and proof of the criteria described above, we will determine whether the Enrolled Dependent child meets the criteria before the child attains the limiting age. If we fail to make the determination by that date, coverage of the Enrolled Dependent child will continue pending our determination.

We may continue to ask you for proof that the child continues to be disabled and dependent. However, we will not ask for this information more than once a year after a two year period following the child's attainment of the limiting age.
