RE: Superior Court Case Number ~~XXXXXXXXXX~~

Dear Mr. ~~XXXXXXXXXX~~

On May 6, 2010, the San Pedro Court received the attached document via fax from ~~310-610-XXXX~~. If the matter is a civil case which remains pending on appeal, the file would have been transferred to the Appellate Department of the Superior Court. Also, the attached letter was addressed to Judge Mirich without any proof of service on the other party(ies) or his/her/their counsel, if any. As judges cannot consider ex parte communication, the Court is obligated to return this letter without further action.

Law and the Code of Judicial Ethics preclude the judge from considering ex parte communications. Generally, a judge may only act on papers and motions filed in the correct form, with service on all of the parties, or their counsel, in a matter pending before the judge assigned to the case.

Sincerely,

  
Jean Osborne  
Court Manager
