**Senate Bill No. 1034**

**CHAPTER 195**

An act to amend Sections 1357.51, 1357.514, 1357.600, and 1357.614 of, and to repeal and add Sections 1357.506 and 1357.607 of, the Health and Safety Code, and to amend Sections 10198.7, 10753.05, 10755, and 10755.05 of, and to repeal and add Sections 10753.08 and 10755.08 of, the Insurance Code, relating to health care coverage.

[ Approved by Governor August 15, 2014. Filed with Secretary of State August 15, 2014. ]

**LEGISLATIVE COUNSEL'S DIGEST**

SB 1034, Monning. Health care coverage: waiting periods.

Existing law, the federal Patient Protection and Affordable Care Act (PPACA), enacts various health care coverage market reforms that take effect with respect to plan years on or after January 1, 2014. Among other things, PPACA prohibits a group health plan and a health insurance issuer offering group health insurance coverage from applying a waiting period that exceeds 90 days.

Existing law, the Knox-Keene Health Care Service Plan Act of 1975, provides for the licensure and regulation of health care service plans by the Department of Managed Health Care and makes a willful violation of the act a crime. Existing law also provides for the regulation of health insurers by the Department of Insurance. Existing law authorizes a group health care service plan contract and a group health insurance policy, as defined, to apply a waiting period of up to 60 days as a condition of employment if applied equally to all eligible employees and dependents.

 This bill would prohibit those group contracts and policies from imposing any waiting or affiliation period, as defined, and would make related conforming changes. Because a willful violation of the bill's requirements by a health care service plan would be a crime, the bill would impose a state-mandated local program.

Existing law provides for the regulation of grandfathered small employer health care service plan contracts and health insurance policies, as

**Steve Shorr Insurance - Authorized Agent - 310.519.1335** <http://employers.healthreformquotes.com/ab-1083/waiting-period/>

defined. Existing law requires that those contracts and policies be fairly and affirmatively renewed and prohibits construing the provisions regulating those contracts and policies from limiting enrollment in a contract or policy to open enrollment periods, as specified. Existing law requires the employer offering the plan to send a written notice to an eligible employee or dependent who fails to enroll during an open enrollment period that he or she may be excluded from coverage for a specified period of time.

This bill would instead require the notice to inform the eligible employee or dependent that he or she may be excluded from eligibility for coverage until the next open enrollment period.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

This bill would incorporate additional changes to Section 10753.05 of the Insurance Code proposed by SB 959 that would become operative if this bill and SB 959 are both enacted and this bill is enacted last.

**THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:**

**SECTION 1.** The Legislature hereby finds and declares the following:

(a) In enacting this legislation, it is the intent of the Legislature to prohibit a health care service plan or health insurer offering group coverage from imposing a separate waiting or affiliation period in addition to any waiting period imposed by an employer for a group health plan on an otherwise eligible employee or dependent.

(b) The Legislature further intends, in enacting this legislation, to permit a health care service plan or health insurer offering group coverage to administer a waiting period imposed by a plan sponsor, as defined in Section 1002 of Title 29 of the United States Code, consistent with Section 2708 of the federal Public Health Service Act (42 U.S.C. Sec. 300gg-7).

**SEC. 2.** Section 1357.51 of the Health and Safety Code is amended to read:

**1357.51.** (a) A health benefit plan for group coverage shall not impose any preexisting condition provision or waived condition provision upon any enrollee.

(b) (1) A nongrandfathered health benefit plan for individual coverage shall not impose any preexisting condition provision or waived condition provision upon any enrollee.

(2) A grandfathered health benefit plan for individual coverage shall not exclude coverage on the basis of a waived condition provision or preexisting condition provision for a period greater than 12 months following the enrollee's effective date of coverage, nor limit or exclude coverage for a specific enrollee by type of illness, treatment, medical condition, or accident, except for satisfaction of a preexisting condition provision or waived condition provision pursuant to this article. Waivered condition provisions or preexisting condition provisions contained in individual grandfathered health benefit plans may relate only to conditions for which medical advice, diagnosis, care, or treatment, including use of prescription drugs, was recommended or received from a licensed health practitioner during the 12 months

**Steve Shorr Insurance - Authorized Agent - 310.519.1335** <http://employers.healthreformquotes.com/ab-1083/waiting-period/>

immediately preceding the effective date of coverage.

(3) If Section 5000A of the Internal Revenue Code, as added by Section 1501 of PPACA, is repealed or amended to no longer apply to the individual market, as defined in Section 2791 of the Public Health Service Act (42 U.S.C. Sec. 300gg-91), paragraph (1) shall become inoperative 12 months after the date of that repeal or amendment and thereafter paragraph (2) shall apply also to nongrandfathered health benefit plans for individual coverage.

(4) In determining whether a preexisting condition provision or a waived condition provision applies to an individual under this subdivision, a plan shall credit the time the individual was covered under creditable coverage, provided that the individual becomes eligible for coverage under the succeeding plan contract within 62 days of termination of prior coverage and applies for coverage under the succeeding plan within the applicable enrollment period.

(c) **A health benefit plan for group or individual coverage shall not impose any waiting or affiliation period.**

**SEC. 3.** Section 1357.506 of the Health and Safety Code is repealed.

**SEC. 4.** Section 1357.506 is added to the Health and Safety Code, to read:

**1357.506.** A small employer health care service plan contract shall not impose a preexisting condition provision or a waiting or affiliation period upon any individual.

**SEC. 5.** Section 1357.514 of the Health and Safety Code is amended to read:

**1357.514.** In connection with the offering for sale of a small employer health care service plan contract subject to this article, each plan shall make a reasonable disclosure, as part of its solicitation and sales materials, of the following:

(a) The provisions concerning the plan's right to change premium rates and the factors other than provision of services experience that affect changes in premium rates. The plan shall disclose that claims experience cannot be used.

(b) Provisions relating to the guaranteed issue and renewal of contracts.

(c) A statement that no preexisting condition provisions shall be allowed.

(d) Provisions relating to the small employer's right to apply for any small employer health care service plan contract written, issued, or administered by the plan at the time of application for a new health care service plan contract, or at the time of renewal of a health care service plan contract, consistent with the requirements of PPACA.

(e) The availability, upon request, of a listing of all the plan's contracts and benefit plan designs offered, both inside and outside the Exchange, to small employers, including the rates for each contract.

(f) At the time it offers a contract to a small employer, each plan shall provide the small employer with a statement of all of its small employer health care service plan contracts, including the rates for each plan contract, in the service area in which the employer's employees and eligible dependents who are to be covered by the plan contract work or reside. For purposes of this subdivision, plans that are affiliated plans or that are eligible to file a consolidated income tax return shall be treated as one health plan.

(g) Each plan shall do all of the following:

(1) Prepare a brochure that summarizes all of its plan contracts offered to small employers and to make this summary available to any small employer and to solicitors upon request. The summary shall include for each contract information on benefits provided, a generic description of the manner in which services are provided, such as how access to providers is limited, benefit limitations, required copayments and deductibles, and a telephone number that can be called for more detailed benefit information. Plans are required to keep the information contained in the brochure accurate and up to date and, upon updating the brochure, send copies to solicitors and solicitor firms with whom the plan contracts to solicit enrollments or subscriptions.

(2) For each contract, prepare a more detailed evidence of coverage and make it available to small employers, solicitors, and solicitor firms upon request. The evidence of coverage shall contain all information that a prudent buyer would need to be aware of in making contract selections.

(3) Provide copies of the current summary brochure to all solicitors and solicitor firms contracting with the plan to solicit enrollments or subscriptions from small employers.

For purposes of this subdivision, plans that are affiliated plans or that are eligible to file a consolidated income tax return shall be treated as one health plan.

(h) Every solicitor or solicitor firm contracting with one or more plans to solicit enrollments or subscriptions from small employers shall do all of the following:

(1) When providing information on contracts to a small employer but making no specific recommendations on particular plan contracts:

(A) Advise the small employer of the plan's obligation to sell to any small employer any small employer health care service plan contract, consistent with PPACA, and provide the small employer, upon request, with the actual rates that would be charged to that employer for a given contract.

(B) Notify the small employer that the solicitor or solicitor firm will procure rate and benefit information for the small employer on any plan contract offered by a plan whose contract the solicitor sells.

(C) Notify the small employer that upon request the solicitor or solicitor firm will provide the small employer with the summary brochure required under paragraph (1) of subdivision (g) for any plan contract offered by a plan with which the solicitor or solicitor firm has contracted to solicit enrollments or subscriptions.

(D) Notify the small employer of the availability of coverage and the availability of tax credits for certain employers consistent with PPACA and state law, including any rules, regulations, or guidance issued in connection therewith.

(2) When recommending a particular benefit plan design or designs, advise the small employer that, upon request, the agent will provide the small employer with the brochure required by paragraph (1) of subdivision (g) containing the benefit plan design or designs being recommended by the agent or broker.

(3) Prior to filing an application for a small employer for a particular contract:

(A) For each of the plan contracts offered by the plan whose contract the solicitor or solicitor firm is offering, provide the small employer

with the benefit summary required in paragraph (1) of subdivision (g) and the premium for that particular employer.

(B) Notify the small employer that, upon request, the solicitor or solicitor firm will provide the small employer with an **evidence of coverage** brochure for each contract the plan offers.

(C) Obtain a signed statement from the small employer acknowledging that the small employer has received the disclosures required by this section.

**SEC. 6.** Section 1357.600 of the Health and Safety Code is amended to read:

**1357.600.** As used in this article, the following **definitions** shall apply:

(a) "Dependent" means the spouse or registered domestic partner, or child, of an eligible employee, subject to applicable terms of the health care service plan contract covering the employee, and includes dependents of guaranteed association members if the association elects to include dependents under its health coverage at the same time it determines its membership composition pursuant to subdivision (n).

(b) "**Eligible employee**" means either of the following:

(1) Any permanent employee who is actively engaged on a full-time basis in the conduct of the business of the small employer with a normal workweek of an average of 30 hours per week over the course of a month, at the small employer's regular places of business, who has met any statutorily authorized applicable waiting period requirements. The term includes sole proprietors or partners of a partnership, if they are actively engaged on a full-time basis in the small employer's business and included as employees under a health care service plan contract of a small employer, but does not include employees who work on a part-time, temporary, or substitute basis. It includes any eligible employee, as defined in this paragraph, who obtains coverage through a guaranteed association. Employees of employers purchasing through a guaranteed association shall be deemed to be eligible employees if they would otherwise meet the definition except for the number of persons employed by the employer. Permanent employees who work at least 20 hours but not more than 29 hours are deemed to be eligible employees if all four of the following apply:

(A) They otherwise meet the definition of an eligible employee except for the number of hours worked.

(B) The employer offers the employees health coverage under a health benefit plan.

(C) All **similarly situated individuals** are offered coverage under the health benefit plan.

(D) The employee must have worked at least 20 hours per normal workweek for at least 50 percent of the weeks in the previous calendar quarter. The health care service plan may request any necessary information to document the hours and time period in question, including, but not limited to, payroll records and employee wage and tax filings.

(2) Any member of a guaranteed association as defined in subdivision (n).

(c) "In force business" means an existing health benefit plan contract issued by the plan to a small employer.

(d) "Late enrollee" means an eligible employee or dependent who has declined enrollment in a health benefit plan offered by a small

**Steve Shorr Insurance - Authorized Agent - 310.519.1335 <http://employers.healthreformquotes.com/ab-1083/waiting-period/>**

employer at the time of the initial enrollment period provided under the terms of the health benefit plan and who subsequently requests enrollment in a health benefit plan of that small employer, provided that the initial enrollment period shall be a period of at least 30 days. It also means any member of an association that is a guaranteed association as well as any other person eligible to purchase through the guaranteed association when that person has failed to purchase coverage during the initial enrollment period provided under the terms of the guaranteed association's plan contract and who subsequently requests enrollment in the plan, provided that the initial enrollment period shall be a period of at least 30 days. However, an eligible employee, any other person eligible for coverage through a guaranteed association pursuant to subdivision (n), or an eligible dependent **shall not be considered a late enrollee if** any of the following is applicable:

(1) The individual meets all of the following requirements:

(A) He or she was covered under another employer health benefit plan, the Healthy Families Program, the Access for Infants and Mothers (AIM) Program, the Medi-Cal program, or coverage through the California Health Benefit Exchange at the time the individual was eligible to enroll.

(B) He or she certified at the time of the initial enrollment that coverage under another employer health benefit plan, the Healthy Families Program, the AIM Program, the Medi-Cal program, or coverage through the California Health Benefit Exchange was the reason for declining enrollment, provided that, if the individual was covered under another employer health benefit plan, including a plan offered through the California Health Benefit Exchange, the individual was given the opportunity to make the certification required by this subdivision and was notified that failure to do so could result in later treatment as a late enrollee.

(C) He or she has lost or will lose coverage under another employer health benefit plan as a result of termination of employment of the individual or of a person through whom the individual was covered as a dependent, change in employment status of the individual or of a person through whom the individual was covered as a dependent, termination of the other plan's coverage, cessation of an employer's contribution toward an employee's or dependent's coverage, death of the person through whom the individual was covered as a dependent, legal separation, or divorce; or he or she has lost or will lose coverage under the Healthy Families Program, the AIM Program, the Medi-Cal program, or coverage through the California Health Benefit Exchange.

(D) He or she requests enrollment within 30 days after termination of coverage or employer contribution toward coverage provided under another employer health benefit plan, or requests enrollment within 60 days after termination of Medi-Cal program coverage, AIM Program coverage, Healthy Families Program coverage, or coverage through the California Health Benefit Exchange.

(2) The employer offers multiple health benefit plans and the employee elects a different plan during an open enrollment period.

(3) A court has ordered that coverage be provided for a spouse or minor child under a covered employee's health benefit plan.

(4) (A) In the case of an eligible employee, as defined in paragraph (1) of subdivision (b), the plan cannot produce a written statement from the employer stating that the individual or the person through whom the individual was eligible to be covered as a dependent, prior to declining coverage, was provided with, and signed, acknowledgment of an explicit written notice in boldface type specifying that failure to elect coverage during the initial enrollment period permits the plan to impose, at the time of the individual's later decision to elect coverage, an exclusion from eligibility for coverage until the next open enrollment period, unless the individual meets the criteria specified in paragraph (1), (2), or (3). This exclusion from eligibility for coverage shall not be considered a waiting period in violation of Section 1357.51 or 1357.607.

**Steve Shorr Insurance - Authorized Agent - 310.519.1335 <http://employers.healthreformquotes.com/ab-1083/waiting-period/>**

(B) In the case of an association member who did not purchase coverage through a guaranteed association, the plan cannot produce a written statement from the association stating that the association sent a written notice in boldface type to all potentially eligible association members at their last known address prior to the initial enrollment period informing members that failure to elect coverage during the initial enrollment period permits the plan to impose, at the time of the member's later decision to elect coverage, an exclusion from eligibility for coverage until the next open enrollment period, unless the individual meets the requirements of subparagraphs (A), (C), and (D) of paragraph (1) or meets the requirements of paragraph (2) or (3). This exclusion from eligibility for coverage shall not be considered a waiting period in violation of Section 1357.51 or 1357.607.

(C) In the case of an employer or person who is not a member of an association, was eligible to purchase coverage through a guaranteed association, and did not do so, and would not be eligible to purchase guaranteed coverage unless purchased through a guaranteed association, the employer or person can demonstrate that he or she meets the requirements of subparagraphs (A), (C), and (D) of paragraph (1), or meets the requirements of paragraph (2) or (3), or that he or she recently had a change in status that would make him or her eligible and that application for enrollment was made within 30 days of the change.

(5) The individual is an employee or dependent who meets the criteria described in paragraph (1) and was under a COBRA continuation provision and the coverage under that provision has been exhausted. For purposes of this section, the definition of "COBRA" set forth in subdivision (e) of Section 1373.621 shall apply.

(6) The individual is a dependent of an enrolled eligible employee who has lost or will lose his or her coverage under the Healthy Families Program, the AIM Program, the Medi-Cal program, or a health benefit plan offered through the California Health Benefit Exchange and requests enrollment within 60 days after termination of that coverage.

(7) The individual is an eligible employee who previously declined coverage under an employer health benefit plan, including a plan offered through the California Health Benefit Exchange, and who has subsequently acquired a dependent who would be eligible for coverage as a dependent of the employee through marriage, birth, adoption, or placement for adoption, and who enrolls for coverage under that employer health benefit plan on his or her behalf and on behalf of his or her dependent within 30 days following the date of marriage, birth, adoption, or placement for adoption, in which case the effective date of coverage shall be the first day of the month following the date the completed request for enrollment is received in the case of marriage, or the date of birth, or the date of adoption or placement for adoption, whichever applies. Notice of the special enrollment rights contained in this paragraph shall be provided by the employer to an employee at or before the time the employee is offered an opportunity to enroll in plan coverage.

(8) The individual is an eligible employee who has declined coverage for himself or herself or his or her dependents during a previous enrollment period because his or her dependents were covered by another employer health benefit plan, including a plan offered through the California Health Benefit Exchange, at the time of the previous enrollment period. That individual may enroll himself or herself or his or her dependents for plan coverage during a special open enrollment opportunity if his or her dependents have lost or will lose coverage under that other employer health benefit plan. The special open enrollment opportunity shall be requested by the employee not more than 30 days after the date that the other health coverage is exhausted or terminated. Upon enrollment, coverage shall be effective not later than the first day of the first calendar month beginning after the date the request for enrollment is received. Notice of the special enrollment rights contained in this paragraph shall be provided by the employer to an employee at or before the time the employee is offered an opportunity to enroll in plan coverage.

(10) Any other credible coverage as defined by subsection (c) of Section 2704 of Title XXVII of the federal Public Health Service Act (42 U.S.C. Sec. 300gg-3(c)).

(g) "Rating period" means the period for which premium rates established by a plan are in effect and shall be no less than 12 months from the date of issuance or renewal of the health care service plan contract.

(h) "Risk adjusted employee risk rate" means the rate determined for an eligible employee of a small employer in a particular risk category after applying the risk adjustment factor.

(i) "Risk adjustment factor" means the percentage adjustment to be applied equally to each standard employee risk rate for a particular small employer, based upon any expected deviations from standard cost of services. This factor may not be more than 110 percent or less than 90 percent.

**Steve Shorr Insurance - Authorized Agent - 310.519.1335 <http://employers.healthreformquotes.com/ab-1083/waiting-period/>**

(j) "Risk category" means the following characteristics of an eligible employee: age, geographic region, and family composition of the employee, plus the health benefit plan selected by the small employer.

(1) No more than the following age categories may be used in determining premium rates:

Under 30

30–39

40–49

50–54

55–59

60–64

65 and over

However, for the 65 and over age category, separate premium rates may be specified depending upon whether coverage under the plan contract will be primary or secondary to benefits provided by the Medicare Program pursuant to Title XVIII of the federal Social Security Act (42 U.S.C. Sec. 1395 et seq.).

(2) Small employer health care service plans shall base rates to small employers using no more than the following family size categories:

(A) Single.

(B) Married couple or registered domestic partners.

(C) One adult and child or children.

(D) Married couple or registered domestic partners and child or children.

(3) (A) In determining rates for small employers, a plan that operates statewide shall use no more than nine geographic regions in the state, have no region smaller than an area in which the first three digits of all its ZIP Codes are in common within a county, and divide no county into more than two regions. Plans shall be deemed to be operating statewide if their coverage area includes 90 percent or more of the state's population. Geographic regions established pursuant to this section shall, as a group, cover the entire state, and the area encompassed in a geographic region shall be separate and distinct from areas encompassed in other geographic regions. Geographic regions may be noncontiguous.

(B) (i) In determining rates for small employers, a plan that does not operate statewide shall use no more than the number of geographic regions in the state that is determined by the following formula: the population, as determined in the last federal census, of all counties that are included in their entirety in a plan's service area divided by the total population of the state, as determined in the last federal census, multiplied by nine. The resulting number shall be rounded to the nearest whole integer. No region may be smaller than an area in which the first three digits of all its ZIP Codes are in common within a county and no county may be divided into more than two regions. The area encompassed in a geographic region shall be separate and distinct from areas encompassed in other geographic regions.

**Steve Shorr Insurance - Authorized Agent - 310.519.1335 <http://employers.healthreformquotes.com/ab-1083/waiting-period/>**

Geographic regions may be noncontiguous. No plan shall have less than one geographic area.

(ii) If the formula in clause (i) results in a plan that operates in more than one county having only one geographic region, then the formula in clause (i) shall not apply and the plan may have two geographic regions, provided that no county is divided into more than one region.

Nothing in this section shall be construed to require a plan to establish a new service area or to offer health coverage on a statewide basis, outside of the plan's existing service area.

(k) (1) "Small employer" means any of the following:

(A) For plan years commencing on or after January 1, 2014, and on or before December 31, 2015, any person, firm, proprietary or nonprofit corporation, partnership, public agency, or association that is actively engaged in business or service, that, on at least 50 percent of its working days during the preceding calendar quarter or preceding calendar year, employed at least one, but no more than 50, eligible employees, the majority of whom were employed within this state, that was not formed primarily for purposes of buying health care service plan contracts, and in which a bona fide employer-employee relationship exists. For plan years commencing on or after January 1, 2016, any person, firm, proprietary or nonprofit corporation, partnership, public agency, or association that is actively engaged in business or service, that, on at least 50 percent of its working days during the preceding calendar quarter or preceding calendar year, employed at least one, but no more than 100, eligible employees, the majority of whom were employed within this state, that was not formed primarily for purposes of buying health care service plan contracts, and in which a bona fide employer-employee relationship exists. In determining whether to apply the calendar quarter or calendar year test, a health care service plan shall use the test that ensures eligibility if only one test would establish eligibility. In determining the number of eligible employees, companies that are affiliated companies and that are eligible to file a combined tax return for purposes of state taxation shall be considered one employer. Subsequent to the issuance of a health care service plan contract to a small employer pursuant to this article, and for the purpose of determining eligibility, the size of a small employer shall be determined annually. Except as otherwise specifically provided in this article, provisions of this article that apply to a small employer shall continue to apply until the plan contract anniversary following the date the employer no longer meets the requirements of this definition. It includes any small employer as defined in this subparagraph who purchases coverage through a guaranteed association, and any employer purchasing coverage for employees through a guaranteed association. This subparagraph shall be implemented to the extent consistent with PPACA, except that the minimum requirement of one employee shall be implemented only to the extent required by PPACA.

(B) Any guaranteed association, as defined in subdivision (m), that purchases health coverage for members of the association.

(2) For plan years commencing on or after January 1, 2014, the definition of an employer, for purposes of determining whether an employer with one employee shall include sole proprietors, certain owners of "S" corporations, or other individuals, shall be consistent with Section 1304 of PPACA.

(l) "Standard employee risk rate" means the rate applicable to an eligible employee in a particular risk category in a small employer group.

(m) "Guaranteed association" means a nonprofit organization comprised of a group of individuals or employers who associate based solely on participation in a specified profession or industry, accepting for membership any individual or employer meeting its membership criteria, and that (1) includes one or more small employers as defined in subparagraph (A) of paragraph (1) of subdivision (k), (2) does not condition membership directly or indirectly on the health or claims history of any person, (3) uses membership dues solely for and in consideration of the membership and membership benefits, except that the amount of the dues shall not depend on whether the member

**Steve Shorr Insurance - Authorized Agent - 310.519.1335 <http://employers.healthreformquotes.com/ab-1083/waiting-period/>**

applies for or purchases insurance offered to the association, (4) is organized and maintained in good faith for purposes unrelated to insurance, (5) has been in active existence on January 1, 1992, and for at least five years prior to that date, (6) has included health insurance as a membership benefit for at least five years prior to January 1, 1992, (7) has a constitution and bylaws, or other analogous governing documents that provide for election of the governing board of the association by its members, (8) offers any plan contract that is purchased to all individual members and employer members in this state, (9) includes any member choosing to enroll in the plan contracts offered to the association provided that the member has agreed to make the required premium payments, and (10) covers at least 1,000 persons with the health care service plan with which it contracts. The requirement of 1,000 persons may be met if component chapters of a statewide association contracting separately with the same carrier cover at least 1,000 persons in the aggregate.

This subdivision applies regardless of whether a contract issued by a plan is with an association, or a trust formed for or sponsored by an association, to administer benefits for association members.

For purposes of this subdivision, an association formed by a merger of two or more associations after January 1, 1992, and otherwise meeting the criteria of this subdivision shall be deemed to have been in active existence on January 1, 1992, if its predecessor organizations had been in active existence on January 1, 1992, and for at least five years prior to that date and otherwise met the criteria of this subdivision.

(n) "Members of a guaranteed association" means any individual or employer meeting the association's membership criteria if that person is a member of the association and chooses to purchase health coverage through the association. At the association's discretion, it also may include employees of association members, association staff, retired members, retired employees of members, and surviving spouses and dependents of deceased members. However, if an association chooses to include these persons as members of the guaranteed association, the association shall make that election in advance of purchasing a plan contract. Health care service plans may require an association to adhere to the membership composition it selects for up to 12 months.

However, if the association markets, offers, or sells a benefit plan design to those who are not members of the association it is subject to the requirements of this section. This shall apply to an association that otherwise meets the requirements of paragraph (8) formed by merger of two or more associations after January 1, 1992, if the predecessor organizations had been in active existence on January 1, 1992, and for at least five years prior to that date and met the requirements of paragraph (5).

The summary shall include for each plan information on benefits provided, a generic description of the manner in which services are provided, such as how access to providers is limited, benefit limitations, required copayments and deductibles, and a telephone number that can be called for more detailed benefit information. Carriers are required to keep the information contained in the brochure accurate and up to date, and, upon updating the brochure, send copies to agents and brokers representing the carrier. Any entity that provides administrative services only with regard to a health benefit plan written or issued by another carrier shall not be required to prepare a summary brochure which includes that benefit plan.

(2) For each health benefit plan, prepare a more detailed evidence of coverage and make it available to small employers, agents, and brokers upon request. The evidence of coverage shall contain all information that a prudent buyer would need to be aware of in making selections of benefit plan designs. An entity that provides administrative services only with regard to a health benefit plan written or issued by another carrier shall not be required to prepare an evidence of coverage for that health benefit plan.

(3) Provide copies of the current summary brochure to all agents or brokers who represent the carrier and, upon updating the brochure, send copies of the updated brochure to agents and brokers representing the carrier for the purpose of selling health benefit plans.

(B) Notify the small employer that the agent or broker will procure rate and benefit information for the small employer on any health benefit plan offered by a carrier for whom the agent or broker sells health benefit plans.

(3) Prior to filing an application for a small employer for a particular health benefit plan:

(2) Encourage or direct small employers to seek coverage from another carrier because of the health status, claims experience, industry, occupation, or geographic location within the carrier's approved service area of the small employer or the small employer's employees.

(3) Employ marketing practices or benefit designs that will have the effect of discouraging the enrollment of individuals with significant health needs or discriminate based on the individual's race, color, national origin, present or predicted disability, age, sex, gender identity, sexual orientation, expected length of life, degree of medical dependency, quality of life, or other health conditions.

This subdivision shall be enforced in the same manner as Section 790.03, including through Sections 790.035 and 790.05.

This subdivision shall not apply with respect to a compensation arrangement that provides compensation to an agent or broker on the basis of percentage of premium, provided that the percentage shall not vary because of the health status, claims experience, industry, occupation, or geographic area of the small employer.

(j) (1) A health benefit plan offered to a small employer, as defined in Section 1304(b) of PPACA and in Section 10753, shall not establish rules for eligibility, including continued eligibility, of an individual, or dependent of an individual, to enroll under the terms of the plan based on any of the following health status-related factors:

(k) (1) A carrier shall consider as a single risk pool for rating purposes in the small employer market the claims experience of all insureds in all nongrandfathered small employer health benefit plans offered by the carrier in this state, whether offered as health care service plan contracts or health insurance policies, including those insureds and enrollees who enroll in coverage through the Exchange and insureds and enrollees covered by the carrier outside of the Exchange.

(2) At least each calendar year, and no more frequently than each calendar quarter, a carrier shall establish an index rate for the small employer market in the state based on the total combined claims costs for providing essential health benefits, as defined pursuant to Section 1302 of PPACA and Section 10112.27, within the single risk pool required under paragraph (1). The index rate shall be adjusted on a marketwide basis based on the total expected marketwide payments and charges under the risk adjustment and reinsurance programs established for the state pursuant to Sections 1343 and 1341 of PPACA. The premium rate for all of the carrier's nongrandfathered health benefit plans shall use the applicable index rate, as adjusted for total expected marketwide payments and charges under the risk adjustment and reinsurance programs established for the state pursuant to Sections 1343 and 1341 of PPACA, subject only to the adjustments permitted under paragraph (3).

(D) Administrative costs, excluding any user fees required by the Exchange.

(E) With respect to catastrophic plans, as described in subsection (e) of Section 1302 of PPACA, the expected impact of the specific eligibility categories for those plans.

(3) Employ marketing practices or benefit designs that will have the effect of discouraging the enrollment of individuals with significant health needs or discriminate based on the individual's race, color, national origin, present or predicted disability, age, sex, gender identity, sexual orientation, expected length of life, degree of medical dependency, quality of life, or other health conditions.

This subdivision shall be enforced in the same manner as Section 790.03, including through Sections 790.035 and 790.05.

This subdivision shall not apply with respect to a compensation arrangement that provides compensation to an agent or broker on the basis of percentage of premium, provided that the percentage shall not vary because of the health status, claims experience, industry, occupation, or geographic area of the small employer.

(j) (1) A health benefit plan offered to a small employer, as defined in Section 1304(b) of PPACA and in Section 10753, shall not establish rules for eligibility, including continued eligibility, of an individual, or dependent of an individual, to enroll under the terms of the plan based on any of the following health status-related factors:

all nongrandfathered small employer health benefit plans offered by the carrier in this state, whether offered as health care service plan contracts or health insurance policies, including those insureds and enrollees who enroll in coverage through the Exchange and insureds and enrollees covered by the carrier outside of the Exchange.

(2) At least each calendar year, and no more frequently than each calendar quarter, a carrier shall establish an index rate for the small employer market in the state based on the total combined claims costs for providing essential health benefits, as defined pursuant to Section 1302 of PPACA and Section 10112.27, within the single risk pool required under paragraph (1). (D) Administrative costs, excluding any user fees required by the Exchange.

(E) With respect to catastrophic plans, as described in subsection (e) of Section 1302 of PPACA, the expected impact of the specific eligibility categories for those plans.

This exclusion from eligibility for coverage shall not be considered a waiting period in violation of Section 10198.7 or 10755.08.

(B) In the case of an eligible employee who is a guaranteed association member, the plan cannot produce a written statement from the guaranteed association stating that the association sent a written notice in boldface type to all potentially eligible association members at their last known address prior to the initial enrollment period informing members that failure to elect coverage during the initial enrollment period permits the plan to impose, at the time of the member's later decision to elect coverage, an exclusion from eligibility for coverage until the next open enrollment period, unless the member can demonstrate that he or she meets the requirements of subparagraphs (A), (C), and (D) of paragraph (1) or meets the requirements of paragraph (2) or (3). (2) Nothing in this section shall be construed to require an association, or a trust established and maintained by an association to receive a master insurance policy issued by an admitted insurer and to administer the benefits thereof solely for association members, to offer, market or sell a benefit plan design to those who are not members of the association. However, if the association markets, offers or sells a benefit plan design to those who are not members of the association it is subject to the requirements of this section. This shall apply to an association that otherwise meets the requirements of paragraph (6) formed by merger of two or more associations after January 1, 1992, if the predecessor organizations had been in active existence on January 1, 1992, and for at least five years prior to that date and met the requirements of paragraph (3).

(3) A carrier which (A) effective January 1, 1992, and at least 20 years prior to that date, markets, offers, or sells benefit plan designs only to all members of one association and (B) does not market, offer or sell any other individual, selected group, or group policy or contract providing medical, hospital and surgical benefits shall not be required to market, offer, or sell to those who are not members of the association. However, if the carrier markets, offers or sells any benefit plan design or any other individual, selected group, or group policy or contract providing medical, hospital and surgical benefits to those who are not members of the association it is subject to the requirements of this section.

(4) Each carrier that sells health benefit plans to members of one association pursuant to paragraph (3) shall submit an annual statement to the commissioner which states that the carrier is selling health benefit plans pursuant to paragraph (3) and which, for the one association, lists all the information required by paragraph (5).

(5) Each carrier that sells health benefit plans to members of any association shall submit an annual statement to the commissioner which lists each association to which the carrier sells health benefit plans, the industry or profession which is served by the association, the association's membership criteria, a list of officers, the state in which the association is organized, and the site of its principal office.

(6) For purposes of paragraphs (2) and (3), an association is a nonprofit organization comprised of a group of individuals or employers who associate based solely on participation in a specified profession or industry, accepting for membership any individual or small employer meeting its membership criteria, which do not condition membership directly or indirectly on the health or claims history of any person, which uses membership dues solely for and in consideration of the membership and membership benefits, except that the amount of the dues shall not depend on whether the member applies for or purchases insurance offered by the association, which is organized and maintained in good faith for purposes unrelated to insurance, which has been in active existence on January 1, 1992, and at least five years prior to that date, which has a constitution and bylaws, or other analogous governing documents which provide for election of the governing board of the association by its members, which has contracted with one or more carriers to offer one or more health benefit plans to all

individual members and small employer members in this state.

(b) Each carrier shall make available to each small employer all nongrandfathered health benefit plans that the carrier offers or sells to small employers or to associations that include small employers. Notwithstanding subdivision (c) of Section 10755, for purposes of this subdivision, companies that are affiliated companies or that are eligible to file a consolidated income tax return shall be treated as one carrier.

(c) Each carrier shall do all of the following:

(1) Prepare a brochure that summarizes all of its health benefit plans and make this summary available to small employers, agents, and brokers upon request. The summary shall include for each health benefit plan information on benefits provided, a generic description of the manner in which services are provided, such as how access to providers is limited, benefit limitations, required copayments and deductibles, standard employee risk rates, and a telephone number that can be called for more detailed benefit information. Carriers are required to keep the information contained in the brochure accurate and up to date, and, upon updating the brochure, send copies to agents and brokers representing the carrier. Any entity that provides administrative services only with regard to a benefit plan design written or issued by another carrier shall not be required to prepare a summary brochure which includes that benefit plan design.

(2) For each health benefit plan, prepare a more detailed evidence of coverage and make it available to small employers, agents and brokers upon request. The evidence of coverage shall contain all information that a prudent buyer would need to be aware of in making selections of benefit plan designs. An entity that provides administrative services only with regard to a benefit plan design written or issued by another carrier shall not be required to prepare an evidence of coverage for that benefit plan design.

(3) Provide to small employers and agents and brokers, upon request, for any given small employer the sum of the standard employee risk rates and the sum of the risk adjusted employee risk rates. When requesting this information, small employers and agents and brokers shall provide the plan with the information the plan needs to determine the small employer's risk adjusted employee risk rate.

(4) Provide copies of the current summary brochure to all agents or brokers who represent the carrier and, upon updating the brochure, send copies of the updated brochure to agents and brokers representing the carrier for the purpose of selling health benefit plans.

(5) Notwithstanding subdivision (c) of Section 10755, for purposes of this subdivision, companies that are affiliated companies or that are eligible to file a consolidated income tax return shall be treated as one carrier.

(d) No carrier, agent, or broker shall induce or otherwise encourage a small employer to separate or otherwise exclude an eligible employee from a health benefit plan which, in the case of an eligible employee meeting the definition in paragraph (1) of subdivision (e) of Section 10755, is provided in connection with the employee's employment or which, in the case of an eligible employee as defined in paragraph (2) of subdivision (e) of Section 10755, is provided in connection with a guaranteed association.

(e) No carrier or agent or broker shall, directly or indirectly, engage in the following activities:

(1) Encourage or direct small employers to refrain from filing an application for coverage with a carrier because of the health status, claims experience, industry, occupation, or geographic location within the carrier's approved service area of the small employer or the small employer's employees.

(2) Encourage or direct small employers to seek coverage from another carrier or the California Health Benefit Exchange because of the

health status, claims experience, industry, occupation, or geographic location within the carrier's approved service area of the small employer or the small employer's employees.

(f) No carrier shall, directly or indirectly, enter into any contract, agreement, or arrangement with an agent or broker that provides for or results in the compensation paid to an agent or broker for a health benefit plan to be varied because of the health status, claims experience, industry, occupation, or geographic location of the small employer or the small employer's employees. This subdivision shall not apply with respect to a compensation arrangement that provides compensation to an agent or broker on the basis of percentage of premium, provided that the percentage shall not vary because of the health status, claims experience, industry, occupation, or geographic area of the small employer.

(g) A policy or contract that covers a small employer, as defined in Section 1304(b) of PPACA and in subdivision (q) of Section 10755 shall not establish rules for eligibility, including continued eligibility, of an individual, or dependent of an individual, to enroll under the terms of the plan based on any of the following health status-related factors:

(1) Health status.

(2) Medical condition, including physical and mental illnesses.

(3) Claims experience.

(4) Receipt of health care.

(5) Medical history.

(6) Genetic information.

(7) Evidence of insurability, including conditions arising out of acts of domestic violence.

(8) Disability.

(9) Any other health status-related factor as determined by any federal regulations, rules, or guidance issued pursuant to Section 2705 of the federal Public Health Service Act.

(h) If a carrier enters into a contract, agreement, or other arrangement with a third-party administrator or other entity to provide administrative, marketing, or other services related to the offering of health benefit plans to small employers in this state, the third-party administrator shall be subject to this chapter.
