

Say hello to a health plan offering lower costs, choice and simplicity

The UnitedHealthcare SignatureValue Harmony HMO health plan is designed to deliver savings, choice and simplicity – with member-centered care and a goal of better health.

Savings for your business and employees

Doctors within the plan’s network are dedicated to efficient, evidence-based care. Technology makes it easier to share patient data and make informed decisions, which may help improve member health and lower costs.

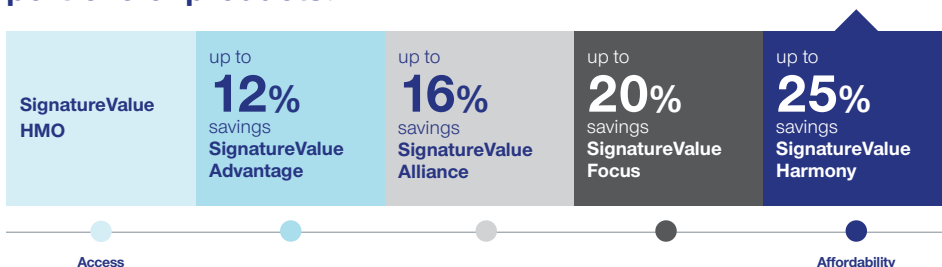

Simpler, one-stop support

Our dedicated call center, 24/7 Virtual Visits and mobile tools are designed to deliver cost-effective, fast answers for both health care and coverage questions.

A more personalized experience

SignatureValue Harmony puts members at the center of the health care experience. Coordinated, proactive care is designed to help your employees meet personal health and wellness goals every step of the way.

24/7 Virtual Visits is a service available with a Designated Virtual Network Provider via video, or audio-only where permitted under state law. Unless otherwise required, benefits are available only when services are delivered through a Designated Virtual Network Provider. 24/7 Virtual Visits are not intended to address emergency or life-threatening medical conditions and should not be used in those circumstances. Services may not be available at all times, or in all locations, or for all members. Check your benefit plan to determine if these services are available.

Network counts accurate as of Q1 2022. We update our directories periodically, but we cannot guarantee the length of participation of the physicians and other providers in our network. Please verify a doctor's participation status by calling Customer Service at the number on your health plan ID card or by visiting myuhc.com.
