SUMMARY OF BENEFITS

Anthem Premier DirectAccess - ceab

A Preferred Provider Organization (PPO) Plan
A Platinum Plan

This SUMMARY OF BENEFITS sets forth the applicable Cost Shares for benefits available under this Agreement. The term Cost Shares means the applicable Deductibles, Out of Pocket Maximums, Coinsurance and Copayments that You must pay for Covered Services You receive under this Agreement. This SUMMARY OF BENEFITS does not list all specific services available under this Agreement, their Cost Shares, or explain benefits, exclusions or limitations. For a complete explanation of the benefits available under this Agreement and any limitations and exclusions, please read the entire Agreement including the parts WHAT IS COVERED – MEDICAL, WHAT IS COVERED – PRESCRIPTION DRUGS, WHAT IS NOT COVERED (Exclusions) – MEDICAL, WHAT IS NOT COVERED (Exclusions) – PRESCRIPTION DRUGS, CLAIMS AND PAYMENTS and GETTING APPROVAL FOR BENEFITS.

All benefits are subject to the conditions, exclusions, limitations and terms of this Agreement including any endorsements.

Benefits for Covered Services are based on the Maximum Allowed Amount, which is the most Anthem will allow for a Covered Service. When You use an Out of Network Provider, You may have to pay the difference between the Out of Network Provider’s billed charge and the Maximum Allowed Amount in addition to any Coinsurance, Copayments, Deductibles, and non-covered charges. This amount can be substantial. Please read the part CLAIMS AND PAYMENTS for more details.

Benefits for Emergency or urgent care are based on the Reasonable and Customary Value, which is the most Anthem will allow for Emergency care. Please read the part WHAT IS COVERED – MEDICAL for more details. When You receive Emergency services (except ambulance services) from an Out of Network Provider within California, You will not be responsible for amounts in excess of the Reasonable and Customary Value. Learn more

Deductibles and Coinsurance are calculated based upon the Maximum Allowed Amount, not the Provider’s billed charges.

Such benefits shall be consistent with those set forth under Federal and California laws and regulations and any regulations issued pursuant thereto.
Such benefits shall be consistent with those set forth under Federal and California laws and regulations and any regulations issued pursuant thereto.

Your benefits include no In Network Medical Deductible, no In Network Prescription Drug Deductible and a separate Out of Network Medical Deductible and Prescription Drug Deductible for Covered Services. For each Benefit Period, You must first satisfy the applicable Deductible. Unless stated otherwise, all amounts You pay for Out of Network Covered Services during a Benefit Period will apply towards Your Out of Network Medical Deductible or Your Out of Network Prescription Drug Deductible, as applicable. Your Out of Network Medical and Prescription Drug Deductible for Covered Services will apply towards Your Out of Network Out of Pocket Maximum.

See “Deductibles” in CLAIMS AND PAYMENTS for a detailed description of how Your Deductible works.

The Pocket Maximums include all Deductibles, Coinsurance, and Copayments you pay during a Benefit Period for all Essential Health Benefits, medical services, pediatric vision and Prescription Drug services combined. It does not include charges over the benefit limits, over the Maximum Allowed Amount, Precertification Copayments, or amounts you pay for non-Covered Services.

Once the applicable Out of Pocket Maximum is satisfied, you will not have to pay any additional Deductibles, Copayments or Coinsurance for the rest of the Benefit Period.

Unless stated otherwise, all amounts you pay for Covered Services during a Benefit Period for the Medical Deductible, Prescription Drug Deductible, Coinsurance and Copayments apply to the Out of Pocket Maximum.

Charges over the Maximum Allowed Amount that are your responsibility, amounts you pay for non-Covered Services and Copayments for not obtaining required Precertification do not apply to these Out of Pocket Maximums. Deductibles and Coinsurance are calculated based upon the Maximum Allowed Amount, not the Provider’s billed charges.

The In Network and Out of Network Out of Pocket Maximums are separate and do not apply toward each other.

See “Out of Pocket Maximum” in CLAIMS AND PAYMENTS for a detailed description of how your Out of Pocket Maximum works.

Such benefits shall be consistent with those set forth under Federal and California laws and regulations and any regulations issued pursuant thereto.
### COINSURANCE AND COPAYMENTS

The following lists the Coinsurance and Copayment for benefits under this Agreement. The following does not list all services or the locations where a service may be received. If a service is available in another setting You may determine the applicable Cost Share by referring to that setting. For example, You might get Physical Therapy in a Physician’s office, an outpatient Hospital Facility, or during an inpatient Hospital stay. For services in the office, look up “Office Visits.” For services in the outpatient department of a Hospital, look up “Outpatient Facility Services.” For services during an inpatient stay, look up “Inpatient Services.”

Cost Sharing for services with Copayments is the lesser of the Copayment amount or Maximum Allowed Amount.

Benefits for Covered Services are based on the **Maximum Allowed Amount**, which is the most Anthem will allow for a Covered Service not the Provider’s billed charges. When You use an Out of Network Provider, You may have to pay the difference between the Out of Network Provider’s billed charge and the Maximum Allowed Amount in addition to any Coinsurance, Copayments, Deductibles and non-covered charges. This amount can be substantial. Please read the part CLAIMS AND PAYMENTS for more details.

Some services listed below require Precertification prior to receiving the service. See the part GETTING APPROVAL FOR BENEFITS for more information. If You do not obtain Precertification, You may be subject to an additional Copayment of $250. The Precertification Copayment does not apply towards Your Deductible or Your Out of Pocket Maximum.

**PRESCRIPTION DRUG BENEFITS**

Prescription Drug benefits accumulate toward the applicable Out of Pocket Maximum
You must pay the applicable Deductible before Your benefits begin

Each Prescription Drug will be subject to a Copayment/Coinsurance as described below.
If Your Prescription Drug order includes more than one Prescription Drug, a separate
Copayment/Coinsurance will apply to each Prescription Drug.

**IMPORTANT NOTE:**
Benefits for Covered Services are based on the Prescription Drug Maximum Allowed Amount, which is the
most Anthem will allow for a Covered Service. When You use an Out of Network Provider, You may have
to pay the difference between the Out of Network Provider’s billed charge and the Prescription Drug
Maximum Allowed Amount in addition to any Coinsurance, Copayments, Deductibles, and non-covered
charges. This amount can be substantial. Please read the parts CLAIMS AND PAYMENTS and WHAT IS
COVERED – PRESCRIPTION DRUGS for more details.

See the parts WHAT IS COVERED – PRESCRIPTION DRUGS and WHAT IS NOT COVERED (Exclusions) –
PRESCRIPTION DRUGS for descriptions of Covered Services, limitations and exclusions.

are calculated on a **Yearly basis**, Your Agreement expires at the end of each monthly Plan Period but will automatically renew upon timely payment by the Monthly Premium Due Date of the Premium for the next monthly Plan Period, unless we have exercised our right to terminate, cancel or non-renew as described in this Agreement. Premiums, benefits, terms, Deductibles, Out of Pocket Maximums and conditions may be modified effective at any renewal date following sixty (60) days written notice to You, and such changes may be implemented at any time during the next Plan Period following renewal. Please read this Agreement, and in particular, all the sections under the parts RIGHT TO MODIFY OR CHANGE THE AGREEMENT and YOUR ELIGIBILITY carefully and in its entirety to make sure You fully understand the duration of Your coverage and the conditions under which we can change, terminate, cancel or decline to renew Your Agreement.

YOUR ELIGIBILITY

This part explains open enrollment, when coverage begins, who is eligible for coverage, monthly Premiums, and events that may cause eligibility to change, for example, birth, adoption, marriage, divorce, Domestic Partnership or dissolution of Domestic Partnership.

Who is Eligible for Coverage

Subscriber
To be eligible for membership as a Subscriber under this Agreement, the applicant must:

1. Be a United States citizen or national; or
2. Be a lawfully present non-citizen for the entire period for which coverage is sought; and
3. Be a legal resident of California;
4. Reside in the Service Area;
5. Agree to pay for the cost of Premium that Anthem requires;
6. Not be incarcerated (except pending disposition of charges);
7. Not be entitled to or enrolled in Medicare Parts A/B, C, and/or D;
8. Not be covered by any other group or individual health benefit plan.

Dependents
To be eligible for coverage to enroll as a Dependent, You must be listed on the enrollment form required by Anthem and meet all Dependent eligibility criteria:

1. The Subscriber's legal spouse.
2. The Subscriber's Domestic Partner, provided the Subscriber and Domestic Partner have completed and filed a Declaration of Domestic Partnership with the California Secretary of State pursuant to the California Family Code, and the Domestic Partnership has not terminated. The Domestic Partner does not include any person who is covered as a Subscriber or spouse. For purposes of this Plan, a Domestic Partner shall be treated the same as a spouse and a Domestic Partner's child, Adopted Child, or child for whom a Domestic Partner has legal guardianship shall be treated the same as any other child.
3. The Subscriber's or the Subscriber's spouse's or Domestic Partner's children, including stepchildren, Newborn and Adopted Children and any child for whom the Policyholder has assumed a parent-child relationship under age twenty six (26).
4. Children **under age twenty-six (26)** for whom the Subscriber or the Subscriber’s spouse or Subscriber’s Domestic Partner is a legal guardian.

Eligibility will be continued past the age limit of twenty-six (26) as an Overage Dependent **only for those already enrolled Dependents who cannot work to support themselves by reason of intellectual or physical disability**. To qualify as an Overage Dependent, the Dependent’s disability must start before the end of the period he or she would become ineligible for coverage.

Anthem shall determine whether the Dependent meets those criteria before the Dependent attains the limiting age.

1. Ninety (90) days before the Dependent reaches the age limit of twenty-six (26), Anthem will issue a request for proof that the Dependent continues to meet the criteria for continued coverage.

2. The Subscriber must submit written proof of such dependency within sixty (60) days of receiving the request.

3. Before the date the Dependent reaches the age limit of twenty-six (26), Anthem will determine whether the Dependent meets the criteria for continued coverage.

4. Two (2) years after receipt of the initial proof, we may require no more than annual proof of the continuing handicap and dependency.

5. Anthem may request a new Subscriber to provide information regarding a Dependent with a continued physically or mentally disabling injury, illness or condition at the time of enrollment and not more than annually thereafter for proof that the Dependent meets the criteria for continued coverage. The Subscriber must submit written proof of such dependency within sixty (60) days of receiving the request.

We may require the Subscriber to submit proof of continued eligibility for any enrolled child. Your failure to provide this information could result in termination of a child’s coverage.

**Newborn and Adopted Child Coverage**

Newborn and adopted child(ren) of the Subscriber or the Subscriber’s spouse will be covered for an initial period of sixty (60) days from the date of birth or adoption. Coverage for Newborn and adopted child(ren) will continue beyond the sixty (60) days, provided the Subscriber submits through us a form to add the child under the Subscriber’s Agreement. The form must be submitted along with the additional Premium, if applicable, within sixty (60) days after the birth of the child. Failure to notify us and pay any applicable Premium during this sixty (60) day period will result in no coverage for the Newborn or Adopted Child beyond the first sixty (60) days.

**YOUR ELIGIBILITY**

CA_OFFHIX_PP(1/14) 0RYL

Coverage will be effective on the date the appointment of guardianship is awarded by the court.

Reminder: Newborn or Adopted Child(ren) covered under this Agreement may cause the applicable Deductible and/or Copayment or Coinsurance maximums to automatically change from an Individual Agreement to a Family Agreement.

Individuals not eligible for Dependent coverage
- Spouses of Dependent children are not eligible for coverage under this Agreement.
- Children, including Newborns and Adopted Children, of Dependent children are not eligible for coverage under this Agreement unless that child meets other coverage criteria established under State law.
- Temporary custody is not sufficient to establish eligibility under this Agreement.

A child’s coverage under this provision will not extend beyond any Dependent Age Limit listed in the SUMMARY OF BENEFITS and above in “Who Is Eligible for Coverage – Dependents”. Any claims covered under this Agreement will be allowed to the child or the child’s custodial parent or legal guardian, for any expenses paid by the child, custodial parent, or legal guardian. Subscribers or applicants for membership represent to the best of their knowledge and belief that all information contained in such applications, questionnaires, forms, or statements submitted to Anthem are true, correct, and complete. Subscribers and applicants for membership understand that all rights to benefits under this Agreement are subject to the condition that all such information is true, correct and complete. **Plan Period**

This is a monthly Agreement. This Agreement shall automatically renew upon timely Premium Payment of the entire Premium amount billed by the Monthly Premium Due Date.

**THIS IS NOT AN ANNUAL AGREEMENT.** The Plan period is monthly and defines the period of Your coverage but does not affect and is not affected by any provisions defining Your Deductible or other cost-sharing obligations which are **calculated on a Yearly basis**. Your Agreement expires at the end of each monthly Plan Period but will automatically renew upon timely payment by the Monthly Premium Due Date of the Premium for the next monthly Plan Period, unless we have exercised our right to terminate, cancel or non-renew as described in this Agreement. Premiums, benefits, terms, Deductibles, Out of Pocket Maximums and conditions may be modified effective at any renewal date following sixty (60) days written notice to You, and such changes may be implemented at any time during the next Plan Period following renewal. Please read this Agreement, and in particular, all the sections under **YOUR ELIGIBILITY**
the parts RIGHT TO MODIFY OR CHANGE THE AGREEMENT and YOUR ELIGIBILITY carefully and in its entirety to make sure You fully understand the duration of Your coverage and the conditions under which we can change, terminate, cancel or decline to renew Your Agreement.

**Monthly Premiums**

Premiums are the monthly charges You must pay Anthem to establish and maintain coverage. We determine and establish the required Premiums based on the Subscriber’s age, number of Members, and the specific regional area in which the Subscriber resides. For children-only contracts, Premiums will be based upon the age of the youngest child. The youngest child will be considered the Subscriber.

When You initiate changes to the Agreement that result in a change to the Premiums, the changes to the Premiums will be reflected on the next billing statement. When Anthem initiates a change to this Agreement, we will provide You sixty (60) days advance written notification of the changes.

Monthly Premiums are printed in the appendix, Subscriber and Premium Information of this Agreement and on Your monthly billing statement. All Monthly Premium Payments and administrative fees are payable in advance and due on the Monthly Premium Due Date. The Monthly Premium Due Date is the first day of the Plan period for which we receive Premium Payment. For example, if the Plan Period is March 1 to March 31, the Monthly Premium Due Date is March 1. The Plan Period is not affected by and does not affect the use of other periods of time to measure or determine Your rights and benefits, for example, the use of the calendar Year as applied to Deductible, or the use of the calendar Year to determine maximum Copayments/Coinsurance.

If the Subscriber changes residence, he or she may be subject to a change in Premiums. Such change in Premiums will be effective on the next billing statement following notification of the change of residence. We will recalculate the Premiums to the new rate of Your regional area of residence. If the Subscriber does not notify us of a change in residence and we later learn of the change in residential address, we may bill the Subscriber for the difference in Premiums from the date the address changed.

**How to pay Your Premium**

You can make Your Premium Payment online by contacting customer service at
or by mailing it to us. For Your convenience, You may authorize us to automatically deduct Your Premium Payment from Your financial institution account every month. To learn more about this option, contact customer service.

We will store a copy of the check and destroy the original paper check. Your payment will be listed on the financial institution account statement as an Electronic Funds Transfer (EFT). Converting Your paper check into an electronic payment does not authorize us to deduct Premiums from Your account on a monthly basis unless You have given us prior authorization to do so.

**Administrative Fee**

An administrative fee of $25 will be charged for any check, automatic deduction, or Electronic Funds Transfer which is returned or dishonored by the financial institution as non-payable to Anthem for any reason.

Certification of Prior Creditable Coverage

If Your coverage is terminated, You and Your covered Dependents will receive a certification showing when You were covered under the Agreement. You may need the document to buy, for Yourself or Your family other health coverage. Certifications may be requested within twenty-four (24) months of losing coverage.

You may also request a certification be provided to You, even if You have not lost coverage under this Agreement. If You have any questions, contact the customer service at 1-855-383-7247.
HOW YOUR COVERAGE WORKS

Your Agreement provides a wide range of coverage for health care services. The information contained in this part is designed to explain how to access Your benefits. Anthem will cover up to the maximum described below for a Covered Service or supply. Review the SUMMARY OF BENEFITS, the parts WHAT IS COVERED – MEDICAL and WHAT IS COVERED – PRESCRIPTION DRUGS for information on Deductibles, Out of Pocket Maximums, Copayments/Coinsurance and any per day, Year or visit limits which may be applied to a particular benefit.

This is a Preferred Provider Organization (PPO) Plan. We provide access to a network of Hospitals and Providers who contract with Anthem to facilitate services to our Members and who provide services at pre-negotiated discounted rates. Benefits for In Network Providers are based on a Maximum Allowed Amount. In Network Providers have an agreement in effect with Anthem and have agreed to accept the Maximum Allowed Amount as payment in full. An In Network Provider may, after notice from us, be subject to a reduced Maximum Allowed Amount in the event the In Network Provider fails to make routine referrals to In Network Providers, except as otherwise allowed (such as for Medical Emergency Services). Out of Network Providers do not have an agreement with Anthem. Your personal financial costs when using Out of Network Providers may be considerably higher than when You use In Network Hospitals or In Network Providers. Further, for certain services there may be no benefit provided when using an Out of Network Provider. You will be responsible for any amount not paid by Anthem when using the services of an Out of Network Provider. Please read the SUMMARY OF BENEFITS and the benefit sections under the part WHAT IS COVERED – MEDICAL carefully to determine these differences. For assistance locating In Network Providers, You may contact us at 1-855-383-7247 or access our website at www.anthem.com/ca.

CHOICE OF IN NETWORK PROVIDER OR OUT OF NETWORK PROVIDER

You have the right to choose an In Network Provider or Out of Network Provider as stated above. Choosing an Out of Network Provider may impact Your personal financial costs. Refer to the SUMMARY OF BENEFITS and the part WHAT IS COVERED - MEDICAL to review Copayment and Coinsurance differences between these types of Providers since Your responsibility is often significantly higher when You use an Out of Network Provider.

Some Hospitals and other Providers do not provide one or more of the following services that may be covered under Your Agreement and that You or Your family member might need:
Family planning;
Contraceptive services, including Emergency contraception;
Sterilization, including tubal ligation at the time of labor and delivery;
Infertility treatments; or
Abortion

You should obtain more information before You become a Subscriber or select a network Provider. Call Your prospective doctor or clinic, or call 1-855-383-7247 or by accessing our website at www.anthem.com/ca to ensure that You can obtain the health care services that You need.

In Network Providers include Primary Care Physicians / Providers (PCPs), Specialists (Specialty Care Physicians / Providers (SCPs)), other professional Providers, Hospitals, and other Facilities who contract with us to care for You. Referrals are never needed to visit an In Network Specialist including behavioral health Providers.

To see a Physician, call their office:
- Tell them You are an Anthem Member,
- Have Your Identification Card handy. The Physician’s office may ask You for Your group or ID number.
- Tell them the reason for Your visit.

When You go to the office, be sure to bring Your Identification Card with You.

Maximum Allowed Amount

The Maximum Allowed Amount is the total reimbursement allowed under this Agreement for Covered Services You receive from In Network Providers, Out of Network Providers and Other Eligible Providers. It is our payment towards the services billed by Your Provider combined with any Deductible, Copayment or Coinsurance owed by You. In some cases, You may be required to pay the entire Maximum Allowed Amount. For instance, if You have not met Your Deductible under the Agreement, then You could be responsible for paying the entire Maximum Allowed Amount for Covered Services. In addition, if these services are received from an Out of Network Provider or Other Eligible Provider, You may be billed by the Provider for the difference between their charges and our Maximum Allowed Amount. In many situations, this difference could be significant.

HOW YOUR COVERAGE WORKS
In no event do we cover any charge in excess of our Maximum Allowed Amount for any Covered Service or supply.

We have provided two examples below, which illustrate how the Maximum Allowed Amount works. These examples are for illustration purposes only and do not reflect actual benefit amounts under this Agreement.

**Example 1:** The Plan has the Member Coinsurance Cost Share of 30% for an In Network Provider services after the Deductible has been met. The Member receives services from an In Network surgeon. The charge is $2,000. The Maximum Allowed Amount under the Plan for the surgery is $1,000. After the Deductible has been satisfied, Anthem pays 70% when an In Network surgeon is used. This is $700. The Member’s Coinsurance responsibility is 30%, which is $300. The In Network surgeon accepts the total of $1,000 as reimbursement for the surgery even though they billed $2,000.

**Example 2:** The Plan has the Member Coinsurance Cost Share of 50% for an Out of Network Provider services after the Deductible has been met. The Member receives services from an Out of Network surgeon. The charge is $2,000. The Maximum Allowed Amount under the Plan for the surgery is $1,000. After the Deductible has been satisfied, Anthem pays 50% when an Out of Network surgeon is used. This is $500. The Member’s Coinsurance responsibility is also 50%, which is $500. In addition, the Out of Network surgeon could bill the Member the difference between $2,000 and $1,000, so the Member’s total out-of-pocket charge would be $500 plus an additional $1,000, for a total Member responsibility of $1,500.

When You receive Covered Services, we will, to the extent applicable, apply claim processing rules to the claim submitted. We use these rules to evaluate the claim information and determine the accuracy and appropriateness of the procedure and diagnosis codes included in the submitted claim. Applying these rules may affect the Maximum Allowed Amount if the procedure and/or diagnosis codes used were inconsistent with procedure coding rules and/or reimbursement policies. For example, if Your Provider submits a claim using several procedure codes when there is one single code that includes all of the procedures performed, the Maximum Allowed Amount will be based on the single procedure code.
Provider Status

The Maximum Allowed Amount may vary depending upon whether the Provider is an In Network Provider, Out of Network Provider or Other Eligible Provider.

**In Network Providers:** For Covered Services performed by an In Network Provider, the Maximum Allowed Amount for Your Agreement is the rate the Provider has agreed with Anthem to accept as reimbursement for the Covered Services. Because In Network Providers have agreed to accept the Maximum Allowed Amount as payment in full for those Covered Services, they should not send You a bill or collect amounts above the Maximum Allowed Amount. However, You may receive a bill or be asked to pay all or a portion of the Maximum Allowed Amount to the extent You have a Deductible, Copayment, or Coinsurance.

**Out of Network Providers and Other Eligible Providers:** Providers who have not signed any contract with us and are not in any of our networks are Out of Network Providers. Other Eligible Providers are providers that do not enter into agreements with us such as blood banks, dentist (D.D.S.), dispensing opticians, and respiratory therapists. For Covered Services You receive from an Out of Network Provider or Other Eligible Provider, the Maximum Allowed Amount will be based on the applicable Anthem Out of Network Provider or Other Eligible Provider rate or fee schedule for this Agreement, an amount negotiated by us or a third party vendor which has been agreed to by the Out of Network Provider or Other Eligible Provider, an amount based on or derived from the total charges billed by the Out of Network Provider or Other Eligible Provider, an amount based on information provided by a third party vendor, or an amount based on reimbursement or cost information from the Centers for Medicare and Medicaid Services (“CMS”). When basing the Maximum Allowed Amount upon the level or method of reimbursement used by CMS, Anthem will update such information, which is unadjusted for geographic locality, no less than annually.

Out of Network Providers and Other Eligible Providers may send You a bill and collect the amount of the Out of Network Provider’s or Other Eligible Provider’s charge that exceeds the Maximum Allowed Amount under this Agreement. You may be responsible for paying the difference between the Maximum Allowed Amount and the amount the Out of Network Provider charged. This amount can be significant. Customer service is available to assist You in determining Your Agreement’s Maximum Allowed Amount for a particular Covered Service from an Out of Network Provider or Other Eligible Provider.

**HOW YOUR COVERAGE WORKS**
Please see the part WHAT IS COVERED - MEDICAL for additional information.

Reminder: If You utilize an In Network Provider, the Provider will send us a claim on Your behalf. If You utilize an Out of Network Provider, the Provider may or may not file a claim on Your behalf.

**Member Cost Share**

For certain Covered Services, You may be required to pay all or a part of the Maximum Allowed Amount as Your Cost Share amount (Deductible, Copayment, and/or Coinsurance). Your Cost Share amount and out-of-pocket limits may be different depending on whether You received Covered Services from an In Network Provider, Out of Network Provider or Other Eligible Provider. Specifically, You may be required to pay higher cost-sharing amounts or may have limits on Your benefits when using Out of Network Providers or Other Eligible Providers. See the SUMMARY OF BENEFITS and the part WHAT IS COVERED – MEDICAL for Your Cost Share responsibilities and limitations, or call us at 1-855-383-7247 to learn how this Plan’s benefits or Cost Share amounts may vary by the type of Provider You use.

Anthem will not provide any reimbursement for non-Covered Services. You may be responsible for the total amount billed by Your Provider for non-Covered Services, regardless of whether such services are performed by an In Network Provider, Out of Network Provider or Other Eligible Provider. Non-Covered Services include services specifically excluded from coverage by the terms of this Plan and services received after benefits have been exhausted. Benefits may be exhausted by exceeding, for example, benefit caps or day/visit limits.

In some instances, You may only be asked to pay the In Network Provider Cost Share percentage when You use an Out of Network Provider. For example, if You go to an In Network Hospital and receive Covered Services from an Out of Network Provider such as a radiologist, anesthesiologist or pathologist providing services at the Hospital, You will pay the In Network Provider Cost Share percentage of the Maximum Allowed Amount for those Covered Services. However, You also may be liable for the difference between the Maximum Allowed Amount and the Out of Network Provider’s charge.
Authorized Referrals

In some circumstances, we may authorize In Network Provider Cost Share amounts (Deductible, Copayment, and/or Coinsurance) to apply to a claim for a Covered Service You receive from an Out of Network Provider. In such circumstance, You or Your Physician must contact us in advance of obtaining the Covered Service. It is Your responsibility to ensure that we have been contacted. If we certify an In Network Provider Cost Share amount to apply to a Covered Service received from an Out of Network Provider, You also may still be liable for the difference between the Maximum Allowed Amount and the Out of Network Provider’s charge. Please contact us at 1-855--- for Authorized Referral information or to request authorization.

Reminder: Carry Your identification (“ID”) card

Your ID card identifies You and contains important health care coverage information. Carrying Your ID card at all times will ensure You always have access to this coverage information when You need it. Make sure You show Your ID card to Your doctor, Hospital, pharmacist, or other health care Provider so they know You are covered with Anthem.
As a reminder, refer to the section Emergency Care to understand the differences between obtaining out-of-area Emergency Services within the State of California and for services outside California. Only Emergency Services outside California will utilize the Inter-Plan Arrangements.

Inter-Plan Arrangements

Out-of-Area Services
Anthem covers only Emergency or urgent care services obtained outside of our Service Area.

For those out-of-area healthcare services that Anthem does cover, and which are obtained from Providers that have a contractual agreement with a local Blue Cross and/or Blue Shield Licensee (“Host Blue”) with which Anthem has a relationship (referred to as an
“Inter-Plan Program”), a claim for those services may be processed through an Inter-Plan Program. If so, the claim will be presented to Anthem for payment in accordance with the then current rules that apply to these programs. These programs include the **BlueCard® Program**, which is described in general terms below.

**BlueCard® Program**

Under the BlueCard Program, when You obtain out-of-area Covered Services and supplies within the geographic area served by a Host Blue, Anthem will remain responsible for fulfilling its contractual obligations. But the Host Blue is responsible for: (a) contracting with its participating Providers; and (b) handling interactions with those Providers.

The BlueCard Program allows You to obtain out-of-area Covered Services and supplies from a healthcare Provider participating with a Host Blue, where available. The participating Provider will automatically file a claim for those Covered Services and supplies, so there are no claim forms to fill out. You are liable for the applicable Copayments, Coinsurance and/or Deductibles stated in this Agreement.

Whenever You obtain Covered Services or supplies outside the Anthem Service Area and the claim is processed through the BlueCard Program, the amount You pay for them, if not a Copayment, is calculated based on the lower of:

- The billed covered charges for the Covered Services or supplies; or
- The Negotiated Price that the Host Blue makes available to Anthem.
Often, this “Negotiated Price” will be a simple discount that reflects an actual price that the Host Blue pays to the Provider. Sometimes, it is an estimated price that takes into account special arrangements with the Provider or Provider group that may include: types of settlements; incentive payments; and/or other credits or charges. Sometimes, it may be an average price, based on a discount that results in expected average savings for similar types of Providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing, going forward, also take into account adjustments to correct for over- or underestimation of modifications of past pricing for the types of transaction modifications noted above. But such adjustments will not affect any price that Anthem has already paid for Your claim or Your liability for any such claim.

Also, federal law or laws in a small number of states may require the Host Blue to add a surcharge to a claim calculation. If federal law or any state laws mandate other liability calculation methods, including a surcharge, Anthem would then calculate Your liability for any Covered Service or supply according to applicable law.

Non-participating Healthcare Providers Outside Anthem’s Service Area
As mentioned under “Out-of Area Services” above, Anthem only covers limited healthcare services outside of its Service Area. If You need to go to a non-participating out-of-area Provider for Emergency or urgent care, the charges for that care are covered. To the extent that the services of non-participating, out-of-area Providers are covered, the amount that You pay for the provided services, if not a Copayment, will generally be based on either the Host Blue’s local payment to that Provider or any pricing arrangement required by applicable State law.

In some cases, Anthem may pay claims from non-participating Providers outside of Anthem’s Service Area based on the Provider’s billed charge. For example, this could happen in a case where You did not have reasonable access to a participating Provider, as determined by Anthem or in accordance with applicable state law. In other cases, Anthem may pay such a claim based on the payment we would make if we were paying a non-participating Provider inside of our Service Area. This could happen when the Host Blue’s payment for the service would be more than our payment for the service. Also, we may negotiate a payment with such a Provider on an exception basis.

CLAIMS AND PAYMENTS

A claim is incurred on the date the service is provided to You. This is important because You must be enrolled and eligible to receive benefits on the date the service is provided. A claim must be submitted in order for us to record the services and consider them for benefits. We will record claims in our records in the order in which Your claims are processed, not necessarily in the order in which You receive the service or supply.

We only provide benefits for Covered Services that are Medically Necessary. Benefits and benefit limits are described in WHAT IS COVERED – MEDICAL and in the SUMMARY OF BENEFITS.

Copayments and Coinsurance are outlined in the SUMMARY OF BENEFITS. Your Copayment and Coinsurance may be a fixed dollar amount per day, per visit, or it may be a percentage of the Maximum Allowed Amount. It could also be a combination of a fixed dollar amount and a percentage of the Maximum Allowed Amount.

When Covered Services are provided by an Out of Network Provider, You may be responsible for the difference between the Provider’s billed charges and the Maximum Allowed Amount. This is not Coinsurance and will not apply to Your Out of Network Out of Pocket Maximums.

These amounts are Your financial responsibility. Copayments are normally paid by or on behalf of the Agreement at the time services are performed. While Your Deductible and/or Coinsurance financial responsibility may also be collected by the Provider at the time services are performed, the Provider may choose to bill You for these services after they have submitted the claim to us. Cost sharing for services with Copayments is the lesser of the Copayment amount or Maximum Allowed Amount.

Described below are the Deductibles, Coinsurance and the Out of Pocket Maximums.

Note: If You replace Your health care coverage from another health insurance carrier with this Agreement, we will not apply those Deductibles or Out of Pocket amounts to this Agreement.
Deductibles

Please refer to the SUMMARY OF BENEFITS for services that do not apply to the Deductible.

You have no In Network medical Deductible and In Network Prescription Drug Deductible. Your Out of Network Deductible is a combination of Your Deductible responsibility for Covered Services provided by Out of Network Providers for medical services and Your Out of Network responsibility for Covered services provided by Out of Network Pharmacy Providers for Prescription Drugs.

Amounts for In Network Covered Services and Out of Network Covered Services are applied separately each Benefit Period and cannot be combined.

Each Benefit Period, You must satisfy Your Out of Network Deductibles before we will pay benefits for Out of Network Covered Services.

Your Out of Network medical Deductible and Your Out of Network Prescription Drug Deductible are combined.

Your Out of Network Deductible amount is determined by the number of family members enrolled in this Plan. If only one person is enrolled on the Plan, then only the Out of Network Individual Deductible applies. If more than one person is enrolled, then both Out of Network Individual and Out of Network Family Deductible are applicable as follows:

- **Out of Network Individual Deductible:** Once the total allowable charges applying to the Out of Network Individual Deductible have been met, no further Out of Network Deductible will be required for the remainder of that Benefit Period.

- **Out of Network Family Deductible:** Once the total allowable charges applying to the Out of Network Individual Deductible for two (2) or more Members equal the Out of Network Family Deductible, no further Out of Network Deductible will be required for all enrolled Members for the remainder of that Benefit Period.
  - No one Member can contribute more than half of the Out of Network Family Deductible amount towards satisfying the Out of Network Family Deductible amount.
If an individual Member has satisfied one half of the Out of Network Family Deductible, this Member has satisfied their Out of Network Individual Deductible for the Benefit Period. The remainder of the Out of Network Family Deductible continues to apply to all other Members on this Plan until the entire Out of Network Family Deductible amount has been satisfied.

The Out of Network Deductible amounts are listed in the SUMMARY OF BENEFITS.

The automatic enrollment of a Newborn or Adopted Children may cause the applicable Deductible to automatically change from an Individual Deductible to a Family Deductible. Additional information on Newborn or Adopted Children is explained in the part YOUR ELIGIBILITY.

During each Benefit Period, each Member is responsible for Covered Services incurred up to the Deductible amounts. **These Deductibles are not prorated for a partial Year.** Only Covered Services will apply toward the Deductibles. A claim must be submitted in order for us to record Your eligible covered Deductible expense. We will record Your Deductibles in our files in the order in which Your claims are processed, not necessarily in the order in which You receive the service or supply.

If You submit a claim for services which have a maximum payment limit and neither of Your Deductibles are satisfied, we will apply only the allowed per visit or per day amount, whichever applies, toward Your In Network Provider or Out of Network Provider Deductible, whichever applies.

Your Deductibles for Covered Services will apply towards Your **Out of Pocket Maximums.**
Coinsurance

Coinsurance is the percentage amount of the Maximum Allowed Amount that You are responsible for as stated in the SUMMARY OF BENEFITS. For Out of Network services, after Your Out of Network Deductible has been satisfied, You will be required to pay Coinsurance for services received while You are covered under this Plan.

When Covered Services are provided by an Out of Network Provider, You may be responsible for the difference between the Provider's billed charges and the Maximum Allowed Amount. This is not Coinsurance and will not apply to Your Out of Network Out of Pocket Maximum.

Out of Pocket Maximums

The In Network and Out of Network Out of Pocket Maximums include all Deductibles, Coinsurance and Copayments You pay during a Benefit Period for all Essential Health Benefits, medical services, pediatric vision and Prescription Drug services combined. It does not include charges over the benefit limits, over the Maximum Allowed Amount, Precertification Copayments or amounts You pay for non Covered Services.

The In Network and Out of Network Out of Pocket Maximums are separate and do not apply toward each other.

In Network Out of Pocket Maximums

After You have satisfied the In Network Out of Pocket Maximums, Anthem will provide benefits at 100% of the Maximum Allowed Amount for In Network Covered Services. If only one person enrolled on the Plan, then only the In Network Individual Out of Pocket Maximum applies. If more than one person enrolled, then both In Network Individual Out of Pocket Maximum and In Network Family Out of Pocket Maximum are applicable as follows:

- **In Network Individual Out of Pocket Maximum**: Once the total allowable charges applying to the In Network Individual Out of Pocket Maximum have been met, no further In Network Copayments/Coinsurance will be required for In Network Covered Services for the remainder of that Benefit Period.
• **In Network Family Out of Pocket Maximum:** Once the total allowable charges applying to the In Network Family Out of Pocket Maximum have been met, no further In Network Copayments/Coinsurance will be required for In Network Covered Services for the remainder of that Benefit Period.
  - If an individual Member has satisfied one half of the In Network Family Out of Pocket Maximum, this Member has satisfied their In Network Individual Out of Pocket Maximum for that Benefit Period.
  - No one Member can contribute more than half of the In Network Family Out of Pocket Maximum amount towards satisfying the In Network Family Out of Pocket Maximum.
  - The In Network Family Out of Pocket Maximum continues to apply to all other Members on this Plan until the entire In Network Family Out of Pocket Maximum amount has been satisfied.

The In Network Out of Pocket Maximum amounts are listed in the SUMMARY OF BENEFITS.

**Out of Network Out of Pocket Maximum**

After You have satisfied the Out of Network Out of Pocket Maximum, Anthem will provide benefits at 100% of the Maximum Allowed Amount for Out of Network Covered Services. If only one person enrolled on the Plan, then only the Out of Network Individual Out of Pocket Maximum applies. If more than one person enrolled, then both Out of Network Individual Out of Pocket Maximum and Out of Network Family Out of Pocket Maximum are applicable as follows:

• **Out of Network Individual Out of Pocket Maximum:** Once the total allowable charges applying to the Out of Network Individual Out of Pocket Maximum have been met, no further Out of Network Copayments/Coinsurance will be required for Out of Network Covered services for the remainder of that Benefit Period.

• **Out of Network Family Out of Pocket Maximum:** Once the total allowable charges applying to the Out of Network Family Out of Pocket Maximum have been met, no further Out of Network Copayments/Coinsurance will be required for the remainder of that Benefit Period.
  - If an individual Member has satisfied one half of the Out of Network Individual Out of Pocket Maximum, this Member has satisfied their Out of network Individual Out of Pocket Maximum for that Benefit Period.
  - No one Member can contribute more than half of the Out of Network Family Out of Pocket Maximum amount towards satisfying the Out of Network Family Out of Pocket Maximum.
  - The Out of Network Family Out of Pocket Maximum continues to apply to all other Members on this Plan until the entire Out of Network Family Out of Pocket Maximum amount has been satisfied.

The Out of Network Out of Pocket Maximum amounts are listed in the SUMMARY OF BENEFITS.

**CLAIMS AND PAYMENTS**
The automatic enrollment of a Newborn or Adopted Children may cause the applicable Out of Pocket Maximum to automatically change from the Individual Out of Pocket Maximum to a Family Out of Pocket Maximum. Additional information on Newborn or Adopted Children is explained in the part YOUR ELIGIBILITY.

Ambulance Services (Ground, Air and Water)

Precertification is required for all non Emergency ambulance transportation (see the part GETTING APPROVAL FOR BENEFITS for details).

Medically Necessary ambulance services are a Covered Service when one or more of the following criteria are met:

- You are transported by a State licensed vehicle that is designed, equipped and used only to transport the sick and/or injured and staffed by Emergency Medical Technicians (EMT), paramedics or other certified medical professionals. Ambulance services include medical and mental health Medically Necessary non emergency ambulance transportation, including psychiatric transportation for safety issues. This includes ground, water, fixed wing and rotary wing air transportation. Ambulance Services do not include transportation by car, taxi, bus, gurney van, wheelchair van and any other type of transportation (other than a licensed ambulance), even if it is the only way to travel to a Provider.

- For ground ambulance, You are taken:
  - From Your home, scene of an accident or Medical Emergency to a Hospital;
  - Between Hospitals, including when we require You to move from an Out of Network Hospital to an In Network Hospital; or
  - Between a Hospital and a Skilled Nursing Facility or other approved Facility.

- For air or water ambulance, You are taken:
  - From the scene of an accident or Medical Emergency to a Hospital;
  - Between Hospitals, including when we require You to move from an Out of Network Hospital to an In Network Hospital
  - Between a Hospital and an approved Facility.

WHAT IS COVERED – MEDICAL
You must be taken to the nearest Facility that can give care for Your condition. In certain cases we may approve benefits for transportation to a Facility that is not the nearest Facility.

**Emergency Response Ambulance Services**

Benefits also include Medically Necessary treatment of a sickness or injury by medical professionals from an ambulance service, even if You are not taken to a Facility. If requested through a 911 call, ambulance charges are covered if it is reasonably believed that a Medical Emergency existed even if You are not transported to a Hospital. Payment of benefits for ambulance services may be made directly to the Provider of service unless proof of payment is received by us prior to the benefits being paid.

**IN SOME AREAS A 911 EMERGENCY RESPONSE SYSTEM HAS BEEN ESTABLISHED. THIS SYSTEM IS TO BE USED ONLY WHEN THERE IS AN EMERGENCY MEDICAL CONDITION THAT REQUIRES AN EMERGENCY RESPONSE.**

**IF YOU REASONABLY BELIEVE THAT YOU ARE EXPERIENCING AN EMERGENCY, YOU SHOULD CALL 911 OR GO DIRECTLY TO THE NEAREST HOSPITAL EMERGENCY ROOM.**

**Ground Ambulance**

Services are subject to Medical Necessity review by Anthem. All scheduled ground ambulance service for non-Emergency transports, not including acute Facility to acute Facility transport, requires Precertification.

**Air and Water Ambulance**

Air Ambulance Services are subject to Medical Necessity review by Anthem. We retain the right to select the Air Ambulance Provider. This includes fixed wing, rotary wing or water transportation. Air ambulance services for non-Emergency Hospital to Hospital transports require Precertification.

**Important Notes on Air Ambulance Benefits**

Benefits are only available for air ambulance when it is not appropriate to use a ground or water ambulance. For example, if using a ground ambulance would endanger Your health and Your medical condition requires a more rapid transport to a Facility than the ground ambulance can provide, the Agreement will cover the air ambulance. Air ambulance will also be covered if You are in an area that a ground or water ambulance cannot reach.

**Air ambulance will not be covered if You are taken to a Hospital that is not an acute care Hospital (such as a Skilled Nursing Facility), or if You are taken to a Physician’s office or Your home.**
Hospital to Hospital Transport
If You are moving from one Hospital to another, air ambulance will only be covered if using a ground ambulance would endanger Your health and if the Hospital that first treats You cannot give You the medical services You need. Certain specialized services are not available at all Hospitals. For example, burn care, cardiac care, trauma care, and critical care are only available at certain Hospitals. To be covered, You must be taken to the closest Hospital that can treat You. Coverage is not available for air ambulance transfers simply because You, Your family, or Your Provider prefers a specific Hospital or Physician.

Fixed Wing Air Ambulance
Fixed wing air ambulance is furnished when Your medical condition is such that transport by ground ambulance, in whole or in part, is not appropriate. Generally, transport by fixed wing air ambulance may be necessary because Your condition requires rapid transport to a treatment Facility, and either great distances or other obstacles preclude such rapid delivery to the nearest appropriate Facility. Transport by fixed wing air ambulance may also be necessary because You are located in a place that is inaccessible to a ground or water ambulance Provider.

Rotary Wing Air Ambulance
Rotary wing air ambulance is furnished when the Member's medical condition is such that transport by ground ambulance, in whole or in part, is not appropriate. WHAT IS COVERED – PRESCRIPTION DRUGS

What You Pay for Prescription Drugs

Tier One, Tier Two, Tier Three, Tier Four
Your Copayment/Coinsurance amount may vary based on whether the Prescription Drug, including covered Specialty Drugs, has been classified by us as a first, second, third, or fourth “Tier” Drug. Refer to Your SUMMARY OF BENEFITS to determine Your Copayment, Coinsurance and Deductible (if any) amounts. The determination of Tiers is made by us, through the Pharmacy and Therapeutics (P&T) Process, based upon clinical information, and where appropriate the cost of the Drug relative to other Drugs in its therapeutic class or used to treat the same or similar condition; the availability of over-the-counter alternatives; and where appropriate certain clinical economic factors. The Tier placement of a Prescription Drug may vary based on the dosage and administration (i.e., by mouth, shots, topical or inhaled) of the Prescription Drug. This may result in the coverage of one form of a Prescription Drug but not another or the other forms of administration of a Prescription Drug in a different Tier. The placement of a particular drug on a given Tier is subject to change.

Note: Your Copayments and/or Coinsurance will not be reduced by any discounts, rebates or other funds received by a designated Pharmacy benefits manager from Drug manufacturers, wholesalers, distributors, and/or similar vendors and/or funds received by a designated Pharmacy benefits manager.

Prescription Drug List

We also have a Prescription Drug List, (a Formulary), which is a list of FDA-approved Drugs that have been reviewed and recommended for use based on their quality and cost effectiveness.

The Drug List is developed by us based upon clinical findings, and where proper, the cost of the Drug relative to other Drugs in its therapeutic class or used to treat the same or similar condition. It is also based on the availability of over the counter medicines, Generic Drugs, the use of one Drug over another by our Members, and where proper, certain clinical economic reasons. Not all forms of a Prescription Drug may be included on the Drug List. The inclusion of a Prescription Drug on the Drug List may vary by the dosage and administration (i.e., mouth, shots,
topical or inhaled) of the Prescription Drug. This may result in the coverage of one dosage or form of a Prescription Drug but not another. The Drug List is subject to change.

If You have a question regarding whether a Drug is on the Prescription Drug List, please call toll free 1-855-383-7247.

Your Prescription Drug coverage is limited to those Drugs listed on our Prescription Drug List. To receive Drugs that are not on our Prescription Drug List, see ‘Prior Authorization’ later in this part. This Prescription Drug List contains a limited number of Prescription Drugs, and may be different than the Prescription Drug List for other Anthem products. Generally, it includes select Generic Drugs with limited brand Prescription Drugs coverage. This list is subject to periodic review and modification by Anthem. We may add or delete Prescription Drugs from this Formulary from time to time. A description of the Prescription Drugs that are listed on this Prescription Drug List is available upon request and at www.anthem.com/ca.

How to obtain an exception to the Specialty Pharmacy Program

If You believe that You should not be required to get Your Specialty Drug through the Specialty Pharmacy Program, You or Your Physician must complete an exception to the Specialty Pharmacy Program form to request an exception and send it to us. The form can be mailed or faxed to us. If You need a copy of the form, You may call us at 1-800-870-6419 to request one. You can also get the form online at www.anthem.com/ca. If we have given You an exception, it will be in writing for the approved amount of time as medically appropriate. If You believe that You still should not be required to get Your medication through the Specialty Pharmacy Program, when Your prior exception approval expires, You must again request an exception. If we deny Your request for an exception, it will be in writing and will tell You why we did not approve the exception.

Urgent or Emergency Need of a Specialty Drug subject to the Specialty Pharmacy Program

If You are out of a Specialty Drug which must be obtained through the Specialty Pharmacy Program, we will authorize an override of the Specialty Pharmacy Program requirement for seventy-two (72) hours, or until the next business day following a holiday or weekend to allow You to get a seventy-two (72) hour Emergency supply of medication, or the smallest packaged quantity, whichever is greater, if Your doctor decides that it is appropriate and Medically Necessary. You may have to pay the applicable Copayment/Coinurance, if any.

WHAT IS COVERED – PRESCRIPTION DRUGS
If You order Your Specialty Drug through the Specialty Preferred Provider and it does not arrive, if Your Physician decides that it is Medically Necessary for You to have the Drug immediately, we will authorize an override of the Specialty Pharmacy Program requirement for a thirty (30) day supply or less to allow You to get an Emergency supply of medication from an In Network Pharmacy near You. A customer service representative from the Specialty Preferred Provider will coordinate the exception and You will not be required to pay additional Coinsurance/Copayment.

**Important Details about Prescription Drug Coverage**

Your Prescription Drug coverage includes certain features to determine when Prescription Drugs should be covered, which are described below. As part of these features, Your prescribing Physician may be asked to give more details before we can decide if the Drug is Medically Necessary. We may also set quantity and/or age limits for specific Prescription Drugs or use recommendations made as part of our Medical Policy and Technology Assessment Committee and/or Pharmacy and Therapeutics Process.

Prescription Drug benefits may depend on reviews to decide when Drugs should be covered. These reviews may include Prior Authorization, Step Therapy, use of a Prescription Drug List, Therapeutic Substitution, day / supply limits, and other utilization reviews. Your In Network Pharmacist will be told of any rules when You fill a Prescription, and will be also told about any details we need to decide benefits.

**Drug Utilization Review**

Your Prescription Drug benefits include utilization review of Prescription Drug usage for Your health and safety. Certain Drugs may require prior authorization. Also, an In Network Pharmacist can help arrange prior authorization or dispense an Emergency amount. If there are patterns of over utilization or misuse of Drugs, we will notify Your personal Physician and Your pharmacist. We reserve the right to limit benefits to prevent over utilization of Drugs.
Prior Authorization

Prior authorization may be needed for certain Prescription Drugs to make sure proper use and guidelines for Prescription Drug coverage are followed. We will contact Your Provider to get the details we need to decide if prior authorization should be given. We will give the results of our decision to both You and Your Provider.

You may need to try a Drug other than the one originally prescribed if we determine that it should be clinically effective for You. However, if we determine through the prior authorization process that the Drug originally prescribed is Medically Necessary, You will be provided the Drug originally requested at the applicable Copayment. If approved, Drugs requiring prior authorization will be provided to You after You make the required Copayment. (If, when You first become enrolled, You are already being treated for a medical condition with a Drug that has been appropriately prescribed and is considered safe and effective for Your medical condition and You underwent a prior authorization process under a prior plan which required You to take different Drugs, we will not require You to try a Drug other than the one You are currently taking.)

If prior authorization is denied You have the right to file a Grievance as outlined in the part COMPLAINTS AND GRIEVANCES.

For a list of Drugs that need prior authorization, please call 1-855-383-7247 or visit www.anthem.com/ca. The list will be reviewed and updated from time to time. Including a Drug or related item on the list does not promise coverage under Your Prescription Drug coverage. Your Provider may check with us to verify Drug coverage, to find out whether any quantity (amount) and/or age limits apply, and to find out which brand or Generic Drugs are covered under the Prescription Drug coverage.

Step Therapy

Step therapy is a process in which You may need to use one type of drug before we will cover another. We check certain Prescription Drugs to make sure that proper prescribing guidelines are followed. These guidelines help You get high quality and cost effective Prescription Drugs. If a Physician decides that a certain Prescription Drug is needed, the prior authorization will apply.
Administered by a Medical Provider

Your Agreement also covers Prescription Drugs when they are administered to You as part of a Physician's visit, home care visit, or at an outpatient Facility. This includes Drugs for Infusion Therapy, chemotherapy, Specialty Drugs, blood products, and office-based injectables that must be administered by a Provider. This section applies when Your Provider orders the Drug and administers it to You. Benefits for Drugs that You inject or get at a Pharmacy (i.e., Self Administered Injectable Drugs) are not covered under this section. Benefits for those Drugs are described in the “Retail or Home Delivery Pharmacy” section.

Helpful tip: When Prescription Drugs are covered under this benefit, they will not also be covered under the “Retail or Home Delivery Pharmacy” benefit. Also, if Prescription Drugs are covered under the “Retail or Home Delivery Pharmacy” benefit, they will not be covered under this benefit.

Additional Features

Day Supply and Refill Limits
Certain day supply limits apply to Prescription Drugs as listed in the SUMMARY OF BENEFITS. In most cases, You must use a certain amount of Your Prescription (e.g., 85%) before it can be refilled.

Half-Tablet Program
The Half-Tablet Program lets You pay a reduced Copayment on selected “once daily dosage” Drugs on our approved list. The program lets You get a thirty (30) day supply (fifteen (15) tablets) of the higher strength Drug when the Physician tells You to take a “½ tablet daily.” The Half-Tablet Program is strictly voluntary and You should talk to Your Physician about the choice when it is available. To get a list of the Drugs in the program call 1-855-1234.

Special Programs
From time to time we may offer programs to support the use of more cost-effective or clinically effective Prescription Drugs including Generic Drugs, Home Delivery Drugs, over the counter Drugs or preferred products. Such programs may reduce or waive Copayments or Coinsurance for a limited time. In addition, we may allow access to network rates for Drugs not listed on our Formulary.

GETTING APPROVAL FOR BENEFITS

Your Agreement includes the processes of **Precertification**, predetermination and post service clinical claims review to decide when services are **Medically Necessary**. Covered Services must be Medically Necessary for benefits to be covered.

Certain services require Precertification in order for benefits to be provided. In Network Providers will initiate the review on Your behalf. An Out of Network Provider may or may not initiate the review for You. In both cases, it is Your responsibility to initiate the process and ask Your Physician to request Precertification. You may also call us directly. Precertification criteria are based on multiple sources including medical policy, clinical guidelines, and Pharmacy and therapeutics guidelines. A service that was initially prescribed or requested is not Medically Necessary if You have not previously tried alternative treatments that are more cost-effective.

Whenever Precertification has not been performed for the following services received from an Out of Network Provider, You will be required to pay an additional $250 Copayment for the admission, treatment or therapy: an admission to a Hospital (except for the delivery of a child or mastectomy surgery, including the length of Hospital stays associated with mastectomy), Facility treatment for Mental Health and Substance Abuse Services, Skilled Nursing Facility, Infusion Therapy (in any setting) or Home Health Care.

**This Copayment is in addition to any other Copayment required by this Agreement. It will NOT apply toward satisfying Your Yearly Deductible and it will continue to be required even after the Yearly Out of Network Out of Pocket Maximum has been reached. This Copayment is not required in Emergencies.**

If You have any questions about the information in this part, You may call customer service at **1-855-**
Types of Requests

Precertification
A required review of a service, treatment or admission for a Medical Necessity determination which must be done before the service, treatment or admission start date. For Emergency admissions, You, Your authorized representative or Physician must tell us within forty-eight (48) hours of the admission or as soon as possible within a reasonable period of time. For inpatient Hospital stays for the delivery of a child or mastectomy surgery, including the length of Hospital stays associated with mastectomy and/or breast reconstruction surgery for breast cancer, Precertification is not needed. Services for which Precertification is required (i.e., services that need to be reviewed by us to determine whether they are Medically Necessary) include, but are not limited to, the following:

- All inpatient Facility admissions (except inpatient Hospital stays for the delivery of a child or mastectomy surgery, including the length of Hospital stays associated with mastectomy and/or breast reconstruction surgery for breast cancer);
- Inpatient and Outpatient Facility treatment for Mental Health and Substance Abuse Services;
- Skilled Nursing Facility stays;
- Center of Medical Excellence (CME) procedures (see CME requirements in the part WHAT IS COVERED – MEDICAL);

Predetermination
An optional, voluntary Prospective or Continued Stay Review request for a Medical Necessity determination for a service or treatment.

Post Service Clinical Claims Review
A Retrospective review for a determination to decide the Medical Necessity or Experimental/Investigational nature of a service, treatment or admission that did not need Precertification and did not have a Predetermination review performed. Medical reviews are done for a service, treatment or admission in which we have a related clinical coverage guideline and are typically initiated by us.

Typically, In Network Providers know which services need Precertification and will get any Precertification or ask for a Predetermination when needed. Your Primary Care Physician and other In Network Providers have been given detailed information about these procedures and are responsible for meeting these requirements. Generally, the ordering Provider, Facility or attending Physician will get in touch with us to ask for a Precertification or Predetermination review (“requesting Provider”). We will work with the requesting Provider for the Precertification request. However, You may choose an authorized representative to act on Your behalf for a specific request. The authorized representative can be anyone who is 18 years of age or older.
Revoking or modifying a Precertification Review decision

Anthem will determine in advance whether certain services (including procedures and admissions) are Medically Necessary and are the appropriate length of stay, if applicable. These review decisions may be revoked or modified prior to the service being rendered for reasons including but not limited to the following:

- Your coverage under this Agreement ends;
- You reach a Benefit Maximum that applies to the service in question;
- Your benefits under the Agreement change so that the service is no longer covered or is covered in a different way.

We use our clinical coverage guidelines, such as medical policy clinical guidelines, preventive care clinical coverage guidelines, and other applicable policies and procedures to help make our Medical Necessity decisions, including decisions about Prescription and Specialty Drug services. Medical policies and clinical guidelines reflect the standards of practice and medical interventions identified as proper medical practice. We reserve the right to review and update these clinical coverage guidelines from time to time. **Your Agreement takes precedence over these guidelines.**

You are entitled to ask for and get, free of charge, reasonable access to any records concerning Your request. To ask for this information, call the Precertification phone number on the back of Your Identification Card.

Anthem may, from time to time, waive, enhance, change or end certain medical management processes (including utilization management, case management, and disease management) if such change furthers the provision of cost effective, value based and/or quality services.

**GETTING APPROVAL FOR BENEFITS**

CA_OFFHIX_PP(1/14) 0RYL
We may also select certain qualifying Providers to take part in a program that exempts them from certain procedural or medical management processes that would otherwise apply. We may also exempt Your claim from medical review if certain conditions apply.

Just because we exempt a process, Provider or Claim from the standards which otherwise would apply, it does not mean that we will do so in the future, or will do so in the future for any other Provider, claim or Member. Anthem may stop or change any such exemption with or without advance notice.

You may find out whether a Provider is taking part in certain programs by checking Your on-line Provider Directory, on-line Precertification list or contacting the customer service at 1-855-383-7247.

- **Prospective** – A request for Precertification or Predetermination that is conducted before the service, treatment or admission.
- **Continued Stay Review** – A request for Precertification or Predetermination that is conducted during the course of treatment or admission.

**Decision and Notice Requirements**

We will review requests for Medical Necessity according to the timeframes listed below. The timeframes and requirements listed are based on State and federal laws. Where State laws are stricter than federal laws, we will...
follow State laws. If You live in and/or get services in a state other than the State where Your Agreement was issued other state-specific requirements may apply. You may call customer service at 1-855-383-7247 for more details.

If more information is needed to make our decision, we will follow State and federal law and tell the requesting Provider and send written notice to You or Your authorized representative of the specific information needed to finish the review. If we do not get the specific information we need or if the information is not complete by the timeframe identified in the written notice, we will make a decision based upon the information we have.

We will give notice of our decision as required by State and federal law. Notice may be given by the following methods:

- **Verbal:** Oral notice given to the requesting Provider by phone or by electronic means if agreed to by the Provider.
- **Written:** Mailed letter or electronic means including email and fax given to, at a minimum, the requesting Provider and You or Your authorized representative.
Precertification does not guarantee coverage for or payment of the service or treatment reviewed. For benefits to be covered, on the date You get service:

- You must be eligible for benefits;
- The service or supply must be a covered benefit under Your Agreement;
- The service cannot be subject to an Exclusion under Your Agreement; and
- You must not have exceeded any applicable limits under Your Agreement.

For a copy of the Medical Necessity Review Process, please contact customer service at 1-855-383-7247.

If You disagree with a determination by us, You have the right to file a Grievance as outlined in the part COMPLAINTS AND GRIEVANCES and a request for Independent Medical review as outlined in the part INDEPENDENT MEDICAL REVIEW.

**Individual Case Management**

Case Management helps coordinate services for Members with health care needs due to serious, complex, and/or chronic health conditions. Our programs coordinate benefits and educate Members who agree to take part in the Case Management Program to help meet their health-related needs.

Our Case Management programs are confidential and voluntary. These programs are given at no extra cost to You.

If You meet program criteria and agree to take part, we will help You meet Your identified health care needs. This is reached through contact and team work with You and/or Your chosen representative, treating Physician(s), and other Providers.

In addition, we may assist in coordinating care with existing community-based programs and services to meet Your needs. This may include giving You information about external agencies and community-based programs and services.

In certain cases of severe or chronic illness or injury, we may provide benefits for alternate care that is not listed as a Covered Service through our Case Management program. We may also extend Covered Services beyond the...
Benefit Maximums of this Agreement. We will make our decision case-by-case, if the alternate or extended benefit is in the best interest of the Member and Anthem. A decision to provide extended benefits or approve alternate care in one case does not obligate us to provide the same benefits again to You or to any other Member. We reserve the right, at any time, to alter or stop providing extended benefits or approving alternate care. In such case, we will notify You or Your representative in writing.
ALTERNATIVE BENEFITS

In order for You to obtain medically appropriate care in a more economical and cost effective way, we may recommend an alternative treatment plan. This may include providing benefits not otherwise covered under this Agreement. A personal case manager will review the medical records and discuss Your treatment with the attending Physician, You and Your family.

We make treatment suggestions only. Any decision regarding treatment belongs to You and Your Physician.

Benefits are provided for such an alternative treatment plan only on a case-by-case basis. We have absolute discretion in deciding whether or not to offer substitute benefits, which alternative benefits may be offered, and the terms of the offer. Our substitution of benefits in a particular case in no way prevents us from strictly applying this Agreement's benefits, limitations and exclusions at any other time or for any other Member.

Alternative benefits are considered only when all of the following criteria are satisfied:

- the Member requires extensive long-term treatment; and
- we anticipate that such treatment, utilizing services or supplies covered under the Agreement, will result in considerable cost; and
- a cost benefit analysis by us determines that the benefits payable under the Agreement for the alternative plan of treatment can be provided at a lower overall cost than the benefits the Member would otherwise receive under the Agreement; and
- the Member or the Member’s guardian and the Member’s Physician agree, in writing, with our recommended substitution of benefits with the specific terms and conditions under which the alternative benefits are to be provided.

will determine appropriate cost sharing (Deductible, Copayments, and Coinsurance) if alternative benefits are provided. This includes alternative benefits accumulating toward Benefit Maximums of this Agreement.

Note: We reserve the right to use the services of one or more third parties in the performance of the services outlined in the letter of agreement. No other assignment of any rights or delegation of any duties by either party is valid without the prior written consent of the other party.
CONTINUED BENEFITS

If, on the date we cancel Your coverage by written notice (except for cancellation due to misrepresentation or fraudulent statements, ceasing coverage in the individual market or cancellation due to withdrawal of the health benefit plan from the individual health care market as stated in the part YOUR ELIGIBILITY), You are suffering from either an injury sustained or an illness arising while Your coverage under this Agreement was in effect, benefits will continue, but limited by and subject to all of the following:

1. These continued benefits cover only treatment of an injury sustained or an illness arising while Your coverage under this Agreement was in effect. When we refer to an injury sustained while Your coverage under this Agreement was in effect, we mean that the incident or accident directly causing the injury must have occurred while Your coverage under this Agreement was in effect. When we refer to an illness arising while Your coverage under this Agreement was in effect, we mean that either the illness was first diagnosed while Your coverage under this Agreement was in effect or Your illness first manifested itself by signs or symptoms by which a Physician could have diagnosed the illness while Your coverage under this Agreement was in effect.

2. These benefits will be provided only for treatment actually received during the ninety (90) day period following cancellation of Your coverage under this Agreement. If You are in a Hospital or Skilled Nursing Facility on the last day of that ninety (90) day period for treatment of a condition covered under these continued benefits, benefits will continue until the first of the following occurs:
   (i) the date of discharge from the Hospital or Skilled Nursing Facility, or
   (ii) care or treatment is no longer Medically Necessary.

Note: All conditions, reductions, limitations and exclusions of this Agreement, including any Benefit Maximums, will apply to these continued benefits. In no event will benefits in excess of any maximum benefits be provided.

For information about continuation of care when an agreement terminates between an In Network Provider and us, see the part IMPORTANT INFORMATION ABOUT THIS AGREEMENT (General Provisions).
DUPLICATION OF ANTHEM BENEFITS

If, while covered under this Agreement, You are also covered by another Anthem Individual Agreement:

- You will be entitled only to the benefits of the Agreement with the greater benefits and
- We will refund any Premiums received under the Agreement with the lesser benefits, covering the time period both Agreements were in effect. However, any claims payments made by us under the Agreement with the lesser benefits will be deducted from any such refund of Premiums.
THIRD PARTY LIABILITY

Under some circumstances, a third party may be liable or legally responsible by reason of negligence, an intentional act or the breach of a legal obligation of such third party for an injury, disease or other condition for which a Member receives Covered Services. In that event, any benefits we pay under this Agreement for such Covered Services will be subject to the following:

- We will automatically have a lien upon any amount You receive from the third party or the third party’s insurer or guarantor by judgment, award, settlement or otherwise. Our lien will be in the amount of the benefits we pay under this Agreement for treatment of the illness, disease, injury or condition for which the third party is liable. Our lien will not exceed the amount we actually paid for those services, if we paid the provider other than on a capitated basis, and, if we paid the Provider on a capitated basis, our lien will not exceed 80% of the usual and customary charges for those services in the geographic area in which they were rendered. In addition, if You engaged an attorney to gain Your recovery from the third party, one-third of the monies due You under any final judgment, compromise or settlement agreement and, if You did not engage an attorney, our lien shall not be for a sum in excess of one half of the monies due You under any final judgment, compromise or settlement agreement. Where a final judgment includes a special finding by a judge, jury or arbitrator that You were partially at fault, our lien shall be reduced by the same comparative fault percentage by which Your recovery was reduced. Our lien is subject to a pro rata reduction commensurate with Your reasonable attorney’s fees and costs in accordance with the common fund doctrine.

- You agree to advise us in writing of Your claim against a third party within sixty (60) days of making such claim, and that You will take such action, furnish such information and assistance, and execute such papers as we may require to facilitate enforcement of our lien rights. You agree not to take any action that may prejudice our rights or interests under this Agreement. You agree also that failing to give us such notice, or failing to cooperate with us, or taking action that prejudices our rights will be a material breach of this Agreement. In the event of such material breach, You will be personally responsible and liable for reimbursing to us the amount of benefits we paid.

- We will be entitled to collect on our lien even if the amount recovered by or for the Member (or his or her estate, parent or legal guardian) from or for the account of such third party as compensation for the injury, illness or condition is less than the actual loss suffered by the Member.
IMPORTANT INFORMATION ABOUT THIS AGREEMENT (General Provisions)

You will be notified of a Premium change at the address in our records sixty (60) days in advance. Any such change will apply to Premiums due on or after the Effective Date of change. - The Member must be under the care of the In Network Provider at the time of our termination of the Provider's participation in our network. The terminated Provider must agree in writing to provide services to the Member in accordance with the terms and conditions of his/her agreement with us prior to termination from our network. The Provider must also agree in writing to accept the terms and reimbursement rates under his/her agreement with Anthem prior to termination from our network. If the Provider does not agree with these contractual terms and conditions, we are not required to continue the Provider's services beyond the contract termination date.

reimbursement and/or contractual requirements that apply to In Network Providers, including payment terms. If the terminated Provider does not agree to the same reimbursement and/or contractual requirements, we are not required to continue that Provider’s services. If You disagree with our determination regarding continuation of care, please refer to the part INDEPENDENT MEDICAL REVIEW.

**How to file medical claims:** When using an In Network Provider they will bill Anthem directly for services rendered to You. In order for the Provider to submit a claim on Your behalf, You must give the Provider information necessary for the claim to be filed, such as Your Anthem ID card.

For Out of Network Providers, the Provider may or may not bill Anthem for services rendered to You. If an Out of Network Provider does not submit a claim to Anthem, in order for the claim to be considered for reimbursement, You must submit a claim to us by completing the member claim form and attaching support documentation from the Provider, including an itemized bill. The member claim form can be found online at www.anthem.com/ca or requested by calling customer service at 1-855-383-7247.

All information on the member claim form and itemized bill must be complete and legible. If the member claim form is not legible or is missing information, the form will be returned to You for any missing, incomplete or illegible information. The information on the itemized bill will be used to determine benefits so it must support the information on the member claim form. The member claim form contains more detailed instructions on how to complete the form and what information is needed.

If You are filing a member claim form for more than one Out of Network Provider, a separate member claim form is required for each Provider. If You are filing a member claim form for more than one Member, a separate member claim form is required for each Member.

When You receive health care outside of the United States, You will need to submit an itemized bill and medical records for services rendered. The itemized bill and medical records must be translated into English and include the billed charges.

**Note:** You are responsible, at Your own expense, for obtaining an English language translation of foreign country provider claims and medical records.
How to send a member claim form: Prior to submitting Your member claim form and itemized bill, You should make copies of the documents for Your own records and attach the original bills to the completed member claim form. The bills and the member claim form should be mailed to:

Independent Medical Review of Grievances involving a **Disputed Health Care Service**

You may request an Independent Medical Review ("IMR") of disputed health care services from the Department of Managed Health Care (DMHC) if you believe that we have improperly denied, modified, or delayed health care services. A "disputed health care service" is any health care service eligible for coverage and payment under your plan that has been denied, modified, or delayed by us, in whole or in part, because the service is not Medically Necessary.

The IMR process is in addition to any other procedures or remedies that may be available to you. You pay no application or processing fees of any kind for IMR. You have the right to provide information in support of the request for IMR. We must provide you with an IMR application form with any grievance disposition letter that denies, modifies, or delays health care services. A decision not to participate in the IMR process may cause you to forfeit any statutory right to pursue legal action against us regarding the disputed health care service.

**Eligibility**

The DMHC will review your application for IMR to confirm that:

1. a. Your Provider has recommended a health care service as Medically Necessary, or
   b. You have received urgent care or Emergency Services that a Provider determined was Medically Necessary, or
   c. You have been seen by an In Network Provider for the diagnosis or treatment of the medical condition for which you seek independent review;
2. The disputed health care service has been denied, modified, or delayed by us based in whole or in part on a decision that the health care service is not Medically Necessary; and
3. You have filed a grievance with us and the disputed decision is upheld or the grievance remains unresolved after thirty (30) days. If your grievance requires expedited review you may bring it immediately to the DMHC’s attention. The DMHC may waive the requirement that you follow our grievance process in extraordinary and compelling cases.

If your case is eligible for IMR, the dispute will be submitted to a medical specialist who will make an independent determination of whether or not the care is Medically Necessary. You will receive a copy of the assessment made in
Your case. If the IMR determines the service is Medically Necessary, we will provide benefits for the health care service.

For non-urgent cases, the IMR organization designated by the DMHC must provide its determination within thirty (30) days of receipt of Your application and supporting documents. For urgent cases involving an imminent and serious threat to Your health, including, but not limited to, serious pain, the potential loss of life, limb, or major bodily function, or the immediate and serious deterioration of Your health, the IMR organization must provide its determination within three (3) business days.

For more information regarding the IMR process, or to request an application form, please call our customer service department toll free at 1-800-365-0609.

Department of Managed Health Care

The California Department of Managed Health Care is responsible for regulating health care service plans. If You have a grievance against Your health plan, You should first telephone Your health plan at 1-800-365-0609 and use Your health plan’s grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to You. If You need help with a grievance involving an Emergency, a grievance that has not been satisfactorily resolved by Your health plan, or a grievance that has remained unresolved for more than thirty (30) days, You may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If You are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are Experimental or Investigational in nature and payment disputes for Emergency or urgent medical services. The department also has a toll-free telephone number (1-888-HMO-2219) and a TDD line (1-877-688-9891) for the hearing and speech impaired. The department’s Internet Web site http://www.hmohelp.ca.gov has complaint forms, IMR application forms and instructions online.
BINDING ARBITRATION

ALL DISPUTES INCLUDING BUT NOT LIMITED TO DISPUTES RELATING TO THE DELIVERY OF SERVICES UNDER THE AGREEMENT OR ANY OTHER ISSUES RELATED TO THE AGREEMENT AND CLAIMS OF MEDICAL MALPRACTICE MUST BE RESOLVED BY BINDING ARBITRATION, IF THE AMOUNT IN DISPUTE EXCEEDS THE JURISDICTIONAL LIMIT OF SMALL CLAIMS COURT AND THE DISPUTE CAN BE SUBMITTED TO BINDING ARBITRATION UNDER APPLICABLE FEDERAL AND STATE LAW, INCLUDING BUT NOT LIMITED TO, THE PATIENT PROTECTION AND AFFORDABLE CARE ACT. It is understood that any dispute including disputes relating to the delivery of services under the Plan or any other issues related to the Plan, including any dispute as to medical malpractice, that is as to whether any medical services rendered under this contract were unnecessary or unauthorized or were improperly, negligently or incompetently rendered, will be determined by submission to arbitration as permitted and provided by federal and California law, and not by a lawsuit or resort to court process except as California law provides for judicial review of arbitration proceedings. Both parties to this contract, by entering into it, are giving up their constitutional right to have any such dispute decided in a court of law before a jury, and instead are accepting the use of arbitration. YOU AND ANTHEM BLUE CROSS AGREE TO BE BOUND BY THIS ARBITRATION PROVISION AND ACKNOWLEDGE THAT THE RIGHT TO A JURY TRIAL OR TO PARTICIPATE IN A CLASS ACTION IS WAIVED FOR BOTH DISPUTES RELATING TO THE DELIVERY OF SERVICE UNDER THE AGREEMENT OR ANY OTHER ISSUES RELATED TO THE AGREEMENT AND MEDICAL MALPRACTICE CLAIMS.

The Federal Arbitration Act shall govern the interpretation and enforcement of all proceedings under this Binding Arbitration provision. To the extent that the Federal Arbitration Act is inapplicable, or is held not to require arbitration of a particular claim, State law governing agreements to arbitrate shall apply.

The arbitration findings will be final and binding except to the extent that State or federal law provides for the judicial review of arbitration proceedings.

The arbitration is initiated by the Member making a written demand on Anthem Blue Cross. The arbitration will be conducted by a single neutral arbitrator from Judicial Arbitration and Mediation Services (“JAMS”), according to JAMS’ applicable Rules and Procedures. If for any reason JAMS is unavailable to conduct the arbitration, the arbitration will be conducted by a single neutral arbitrator from another neutral arbitration entity, by agreement of the Member and Anthem Blue Cross, or by order of the court, if the Member and Anthem Blue Cross cannot agree. If the
parties cannot agree on the individual neutral arbitrator, the arbitrator will be selected in accordance with JAMS Rule 15 (or any successor rule).

The costs of the arbitration will be allocated per the JAMS Policy on Consumer Arbitrations. Unless You and Anthem Blue Cross agree otherwise, the arbitrator may not consolidate more than one person's claims, and may not otherwise preside over any form of a representative or class proceeding.

Please send all Binding Arbitration demands in writing to:
