

Enhance Your Medicare Coverage with *True Freedom*

Comprehensive Care for All Aspects of Your Life

Medicare helps with your medical needs, but what about daily living? True Freedom fills the gaps that Medicare leaves, ensuring you receive comprehensive care.

Here's how:

- ◆ **24-Hour Care:** Unlike Medicare, True Freedom provides round-the-clock assistance to ensure you're never alone when you need help.
- ◆ **Lifetime Hours:** Our plans offer lifetime hours of care, so you're covered when you need it.
- ◆ **Non-Medical Homecare:** Medicare covers medical needs but not everyday assistance. We help with daily activities like bathing, dressing, and meal preparation, which Medicare doesn't cover.
- ◆ **Nationwide Availability:** Enjoy peace of mind knowing your benefits move with you anywhere in the U.S.
- ◆ **Seamless Integration:** Add True Freedom to your Medicare plan for complete care that addresses both medical and non-medical needs.
- ◆ **Affordable Plans:** Enjoy various discounts and financial savings by integrating True Freedom with your existing Medicare coverage.
