<https://wp.me/P50DOs-2FN>

When you choose a Medicare Advantage health plan, you should select a medical group. To select THIPA as your medical group, you should select a Primary Care Physician from the THIPA (Torrance Health IPA) network.

4 Look for Your New Insurance Card

Make sure your information and your doctor's name is listed correctly and that it says "Torrance Health IPA" or "THIPA" on your card. If this information is incorrect, call your insurance company and request that they correct the information. The Member Service's number can be found on the back of your insurance card.
