OPPORTUNITIES FOR ADDITIONAL SAVINGS

Welcome to Medicare Rate Savings

New to Medicare? Then we want to welcome you! You can save \$25 each month for the first 12 months on your Medicare Supplement plan rates if you're new to Medicare Part B.¹

To qualify, you must be age 65 or older, and Blue Shield must receive your application within six months of the date you first enrolled for benefits under Medicare Part B.

The savings will be in effect for the first 12 months of your plan dues.

The Welcome to Medicare Rate Savings is available only for Plans A, C, D, F and G. They are not available for Plans High Deductible Plan F, Plan K, and Plan N.

New member dental or dental + vision plan savings

Effective August 1, 2017, you can save \$3 each month for the first 6 months on your dental or dental + vision plan rates if you enroll in a dental or dental + vision plan **at the same time** you enroll in any Blue Shield Medicare Supplement plan.¹

Easy\$Pay

Easy\$PaySM is a simple, convenient way to pay your dues. Simply authorize Blue Shield to withdraw the monthly dues from your personal checking or savings account. By choosing this method, you will save \$3 per month on your plan dues.¹

Household Savings Program

Effective January 1, 2018, if you and another member of your household are age 65 or older, share the same mailing address and are accepted in the same benefit plan type, you are eligible for a 7% monthly savings on your combined dues if coverage is issued under one agreement.¹ For more information, please ask your Blue Shield representative for eligibility and details about our Household Savings Program.

Please note: If you are currently enrolled in a Medicare Supplement plan, you may transfer to a plan of equal or lesser value during your annual open enrollment period, which begins every year on your birthday and lasts for 30 days. However, if you have the Household Savings Program and change to a benefit plan that is different from the one the other member of your household has, you will no longer be eligible for the 7% savings.
